San Diego Police Department Homicide Unit detectives have arrested a suspect for the April 24, 2007 murders of Rock Walker, 51, and Daniel Collins, 50, inside a Skyline residence.

On April 24, 2007, at approximately 1:00 p.m., the bodies of Walker and Collins were found inside a residence in the 300 block of Woodman Street. Walker and Collins were staying at the residence while the regular occupant was hospitalized. Both victims were stabbed to death, and numerous items were taken from the home. The resident's vehicle was also taken during the crime, and it was recovered later that evening in Encinitas.

Homicide Team II, with the assistance of the SDPD Crime Lab, processed the crime scene and identified Samuel Graham, 24, as the suspect. On Thursday, August 16, 2007, Graham was arrested at an apartment in the 12600 block of El Camino Real in Carmel Valley. Graham was booked for two counts of murder and one count of robbery.

Detectives presented the case this morning to the District Attorney's Office.
