POLICE INVESTIGATE STABBINGS THAT LEAVE TWO DEAD, THREE INJURED

San Diego Police Department Homicide Unit detectives are investigating the stabbing of five males during a fight at a party in City Heights.

On October 27, 2007, at 11:32 p.m., officers responded to a report of a fight at a house in the 3200 block of Marlborough Avenue. They arrived to find a male suffering from stab wounds. Several minutes later, officers were advised that four additional stabbing victims arrived at two different local hospitals. Two of the males died as a result of their wounds.

The preliminary investigation has revealed that all five of the victims were attending a Halloween party when a fight erupted. It is unclear what started the fight or the motive for the stabbings.

The deceased victims have been identified, but their names are being withheld pending family notification.
