POLICE INVESTIGATE MURDER IN COLINA DEL SOL

San Diego Police Department Homicide Unit detectives are investigating the shooting death of a male last night.

At 11:18 p.m., patrol officers heard gunshots near 4800 El Cajon Boulevard and converged on the area to investigate. A detective found a male down in the east alley of 4300 48th Street. The male was lying next to his vehicle, and he was pronounced dead at the scene.

The preliminary investigation has revealed that the victim was with several companions when he stopped to visit an apartment in the 4800 block of Trojan Avenue. While the victim was indoors, his companions remained in the vehicle, which was parked in the alley. A white vehicle passed the victim's vehicle twice, then returned a third time as the victim was returning to his vehicle. The suspect vehicle stopped just north of the victim, and two people stepped out. One of the suspects fired multiple rounds at the victim, striking and killing him.

The motive for the crime is not known.

The victim has been identified as Lee Roy Henderson, 29, of Colorado City, Texas.
