Rose Flores left home Saturday night around 8:00 p.m. She called her mother at 8:30 p.m. and said she would return about 10:00 p.m. She never came home. She suffers from cerebral palsy and is partially paralyzed on the right side of her body. She was last seen in the area of 600 South Bancroft.

She was wearing a Charger windbreaker, black sweater and blue jeans when she left home. Her hair was up in a "bun" type of hairdo.
