POLICE SEEK PUBLIC ASSISTANCE ON ANNIVERSARY OF DOUBLE MURDER

San Diego Police Homicide Unit detectives request the public's assistance in the continuing investigation into the July 26, 2006 murders of 22-year-old Tori Vienneau and her 10-month-old son, Dean Springstube.

On Wednesday, July 26, 2006, at approximately 8:51 p.m., Vienneau's roommate returned home from an errand to find Tori murdered in the living room of their apartment on 45th Street in Mountain View. The roommate checked the apartment further and found Dean, Tori's infant son, dead in another room.

Homicide detectives have investigated the murders for the past year, and they continue to search for people who have not previously come forward who have details about the crime. On the first anniversary of this vicious double murder, detectives encourage anyone with information to contact Sergeant Dave Johnson at (619) 531-2276 or Crime Stoppers at (888) 580-TIPS.
