Building Stronger Community-Police Relations

An Interactive Panel and Discussion

Interactions among the Community and Police in San Diego have been largely constructive, compared to the seeming increase in negative encounters nationwide. The goal of this panel is to increase San Diego's amiable community-police relations, as well as provide information on what to do, and what not to do when interactions are less than positive.

Sponsored By: Black Law Student Association, The Justice and Reentry Society, The TJSL Center for Social and Legal Justice, and the City of San Diego Citizens Review Board on Police Practices
