City of San Diego: Community Development Block Grant

HUD Low and Moderate Income Census Block Groups (Household Income 80% or Below)*

Effective July 1, 2014, projects using Low/Moderate Income Summary Data** (LMISD) to qualify for area benefit activities shall be subject to the updated LMISD based upon the 2006-2010 American Community Survey (ACS). New data based on the 2006-2010 ACS may be found by visiting the HUD Exchange website. To find Census data by street address, visit the American FactFinder website.

** - CDBG-eligible Census Tract-Block Group as identified by U.S. Housing and Urban Development (HUD). **- The LMISD are derived from special tabulations to HUD provided by the U.S. Census Bureau. HUD anticipates receiving these special tabulations of ACS data every five years. As always, the LMISD will be slightly revised each year for changes to grantee jurisdictions and Entitlement CDBG program participations.*
