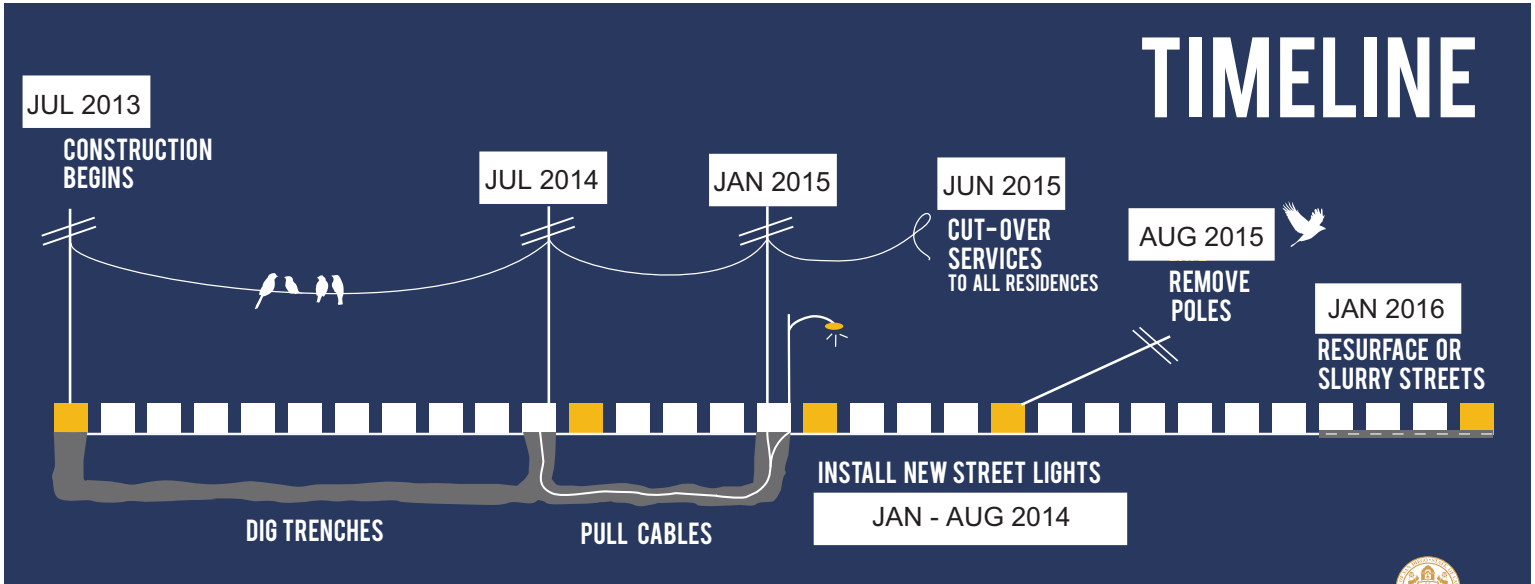
A CLEAR VIEW OF SAN DIEGO
Utilities Undergrounding Program



2.9 miles of utilities will be undergrounded

52 streetlights will be installed

54 Curb ramps will be installed

THE CITY OF SAN DIEGO

# UTILITIES UNDERGROUNDING PROGRAM

You're invited to attend an open house about the Utilities Undergrounding Program that will begin construction soon in your neighborhood. Representatives from the City of San Diego, SDG&E, AT&T, and Cox Communications/Time Warner will be present to share information and answer questions about the project and the placement of facilities on your street. Come learn about the following:

**Project design and schedule for your neighborhood**
**Panel work and trench digging on your property**
**Cabling and cut-overs on your neighborhood's streets**
**Utility box placement on your neighborhood's sidewalks**
**Installation of new streetlights near your home**
**Resurfacing your neighborhood's streets**

Please plan to attend this open house and learn more about how this project will affect you and your neighbors. We hope to see you there. For more information please call the Utilities Undergrounding Program Info. Line at (619) 533-3841.
