PROTEST.

Whereas, a petition has been filed with the City Council asking for a license to conduct a saloon at 1419 E St., Lot. 8th & 9th streets, therefore be it:

Resolved, that we the members of the First Presbyterian church, in midweek meeting assembled, earnestly protest against said proposed saloon and urge that the application for a license therefor be denied:

First, because any saloon does harm.

Second, because the proposed site is at the junction of all street cars of the city where great numbers of children and youths must necessarily congregate while waiting for cars.

Third, because a saloon in that special place, being on the great thoroughfare of the city, will be an eyesore to San Diegans and tourists alike, give the latter a bad impression and so result in positive damage to the city, even from a financial standpoint.

The above preamble was read and resolution was unanimously carried at a meeting of the First Presbyterian church held this 31 day of Dec. 1904.

Representing a membership of 634.
