

IMPORTANT NOTICE!

Welcome to your new green bin!

The City of San Diego is proud to introduce the addition of weekly organic waste recycling collection to your current trash and recycling service. Your green bin will be picked up weekly on the **same day** as your trash and recycling at your **normal collection location**.

If your kitchen pail is zip tied to your green bin, please remove the pail before using. Please look inside your kitchen pail for more information.

You can make a big difference by putting food scraps, food-soiled paper and yard waste into your green bin.

Discard all organic waste in your new green bin provided by the City.

Store-bought containers will no longer be collected.

Organic Waste Recycling
NEW! Pickup Every Week

For more information visit:
sandiego.gov/organicwasterecycling

You can exchange your delivered green bin for a different size. Now that you've received your new green bin, please allow **one business day** before requesting a green bin exchange for a different size or an additional green bin. **Residents who wish to request a green bin exchange will be able to do so at no charge within 14 calendar days of initial delivery and only if the green bin is unused and still new.**

All green bin requests can be submitted on the Get It Done app at sandiego.gov/get-it-done or by calling 858-694-7000.

Scan here with your smart phone for more information.
