Exhibit A: Fiscal Year 2009-2010 Special Tax Levy

Introduction

This report provides an analysis of the financial and administrative obligations of Community Facilities District No. 1 (Miramar Ranch North) ("CFD No. 1") of the City of San Diego resulting from the sale of the \$35,340,000 Series 1991 Special Tax Bonds ("Series 1991 Bonds") and the \$20,865,000 Series 1995 Special Tax Bonds ("Series 1995 Bonds") which were refunded by the sale of the \$59,465,000 Series 1998 Special Tax Refunding Bonds ("the Bonds") issued in July 2008.

CFD No. 1 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended. The Act provides an alternative method for the financing of certain public capital facilities and services. Specifically, CFD No. 1 is authorized to issue up to \$73,000,000 in bonds and has sold a total of \$56,205,000 in Series 1991 Bonds and Series 1995 Bonds. The City does not expect to issue additional bonds. The proceeds of the Bonds were used to finance the acquisition and construction of certain parks/open space, road, water, sewer, fire and library related facilities necessary to meet increased demands placed on the City of San Diego as a result of the development of CFD No. 1.

On November 30, 1993, the City Council approved modifications to the original Rate and Method of Apportionment with the adoption of Resolution R-283093. The resolution ordered changes to the tax formula to allow partial prepayments of the special tax and modified the maximum special tax to be applied to developed and undeveloped property. Any discussion made herein regarding the Rate and Method of Apportionment ("RMA") reflects the modified version of the RMA as approved on November 30, 1993.

The bonded indebtedness of CFD No. 1 is both secured and repaid through the annual levy and collection of special taxes from all property subject to the tax within CFD No. 1. In calculating the special tax liability for fiscal year 2009-2010, this report examines the financial obligations of the current fiscal year and analyzes the level of development within CFD No. 1.

This report is organized into the following sections:

Section I

Section I provides an update of the development status of property within CFD No. 1.

Section II

Section II analyzes the fiscal year 2008-2009 special tax levy.

Section III

Section III determines the financial obligations of CFD No. 1 for fiscal year 2009-2010.

Section IV

Section IV reviews the methodology used to apportion the special tax requirement between Developed Property and Undeveloped Property. A table of the 2009-2010 special taxes for each classification of property is included.

I. Special Tax Classifications and Development Update

Special Tax Classifications

The methodology employed to calculate and apportion the special tax is contained in a document entitled the Rate and Method of Apportionment. The Rate and Method of Apportionment defines two primary categories of taxable property, namely "Developed Property" and "Undeveloped Property." The category of Developed Property is in turn divided into four separate rate classifications which vary with land use (e.g., residential, commercial, industrial and other). A table of the Developed Property classifications is shown below.

Class	Designation
1	Residential Property
2	Commercial Property
3	Industrial Property
4	Other Property

Developed Property is generally distinguished from Undeveloped Property by the issuance of a building permit. Specifically, property for which a building permit was issued prior to March 1 will be classified as Developed Property in the following fiscal year.

Development Update

CFD No. 1 consists of approximately 1,200 gross acres located approximately 15 miles north of the City's downtown area and ten miles inland.

CFD No. 1 is 100% built-out with 3,125 residential units and 27.11 acres of commercial development. The table on the following page indicates the cumulative Developed Property, by class, within CFD No. 1.

Cumulative Developed Property

Class	Land Use	Number of Square Feet/Acres	No. of Units
1	Residential Property	6,440,300 square feet [1]	3,125
2	Commercial Property	27.11 acres	NA
3	Industrial Property	0.00 acres	NA
4	Other Property	0.00 acres	NA

[1] Square footage for each unit is rounded to the nearest 100 square feet pursuant to the RMA.

II. Fiscal Year 2008-2009 Special Tax Levy

The aggregate special tax levy for fiscal year 2008-2009 equaled \$4,187,400. As of June 16, 2009, \$4,099,210 in special taxes had been collected by the County. The remaining \$88,190 in special taxes are delinquent, resulting in a delinquency rate of 2.11 percent.

Pursuant to the Bond Indenture, CFD No. 1 has covenanted to determine each year whether or not any owners of property within CFD No. 1 are delinquent in the payment of their special taxes. If such delinquencies exist, CFD No. 1 is required to commence judicial foreclosure proceedings no later than October 1 against all delinquent parcels, provided however, that CFD No. 1 is not required to commence foreclosure proceedings if (a) the total special tax delinquency in CFD No. 1 for such fiscal year is less than 5% of the total special tax levied in such fiscal year and (b) the amount then on deposit in the Reserve Fund is equal to the Reserve Requirement. Notwithstanding the foregoing, if CFD No. 1 determines that any single property owner in CFD No. 1 is delinquent in excess of \$10,000 in the payment of the special tax, then it will diligently institute, prosecute and pursue foreclosure proceedings against such property owner.

At this time, CFD No. 1 is not required to commence foreclosure proceedings.

III. Fiscal Year 2009-2010 Special Tax Requirement

For fiscal year 2009-2010, the special tax requirement is equal to \$4,406,184 and is calculated as follows:

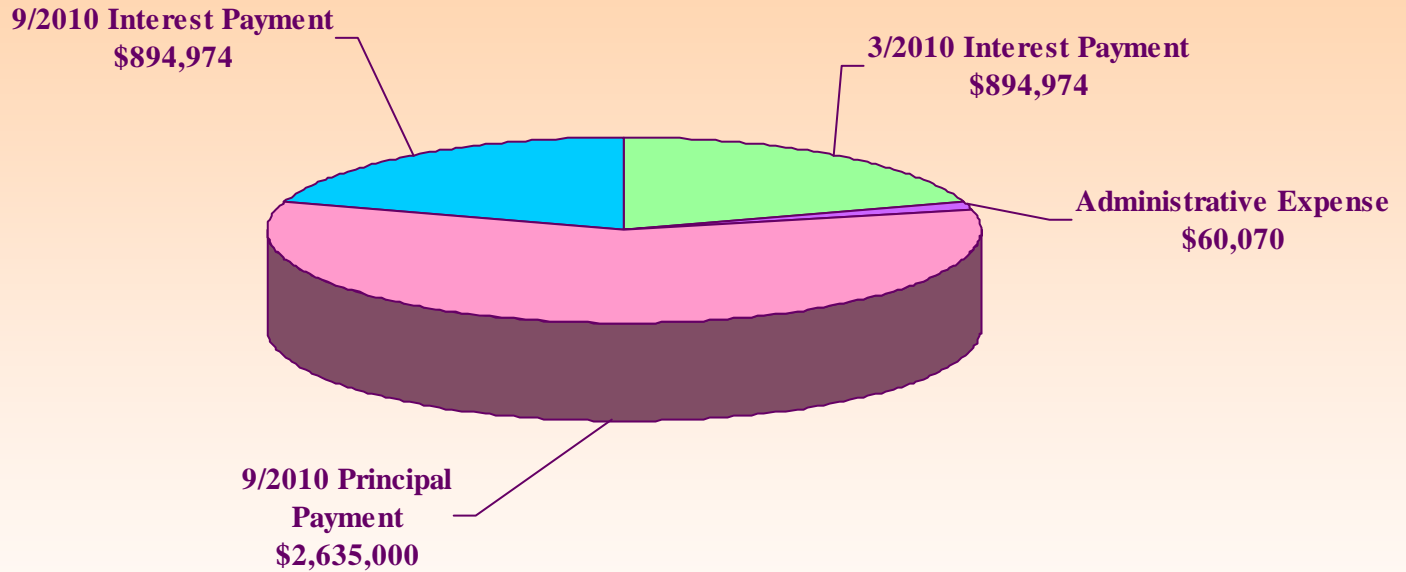

Fiscal Year 2009-2010 Special Tax Requirement

FISCAL YEAR 2009-2010 USES OF FUNDS:	
CFD ADMINISTRATIVE EXPENSES	\$60,070
INTEREST DUE MARCH 1, 2010	\$894,974
INTEREST DUE SEPTEMBER 1, 2010	\$894,974
PRINCIPAL DUE SEPTEMBER 1, 2010	\$2,635,000
GROSS SPECIAL TAX REQUIREMENT	\$4,485,018
LESS CREDIT FOR FUNDS AVAILABLE	(\$78,834)
FISCAL YEAR 2009-2010 SPECIAL TAX REQUIREMENT:	\$4,406,184

The components of the fiscal year 2009-2010 special tax requirement are shown graphically on the following page.

Community Facilities District No. 1 of the City of San Diego

Fiscal Year 2009-2010 Gross Special Tax Requirement

Gross Special Tax Requirement = \$4,485,018

IV. Method of Apportionment

Maximum Special Taxes

The amount of special taxes that CFD No. 1 may levy is strictly limited by the maximum special taxes set forth in the Rate and Method of Apportionment.

The fiscal year 2009-2010 maximum special tax rates for each classification of property are shown in the table below.¹

Apportionment of Special Taxes

The special tax that is apportioned to each parcel is determined through the application of Section D of the Rate and Method of Apportionment. Section D apportions the special tax requirement in three steps which prioritize the order in which Developed Property and Undeveloped Property are taxed.

The first step states that the special tax shall be levied against each parcel of Developed Property at up to 100 percent of the maximum special tax. If the special taxes raised pursuant to the first step are less than the special tax requirement, then the second step is applied. The second step states that the special tax shall be levied against each parcel of Undeveloped Property at up to 100 percent of the maximum special tax. The third step is designed to accommodate changes in land use and is intended to be used only as a last resort. Since sufficient revenue is generated from the application of the first step, the last two steps are not necessary.

As discussed in Section III, the fiscal year 2009-2010 special tax levy is equal to the special tax requirement, which results in a special tax on each parcel of Developed Property that is equal to approximately 70.49 percent of the maximum special tax. The fiscal year 2009-2010 maximum and actual special taxes are shown for each classification of Developed Property and Undeveloped Property in the following table and graphically on the following page.

¹ Pursuant to the RMA, the maximum special tax rates can be increased each year by the percentage increase in the actual construction costs. However, based on discussions with the City, the maximum special tax rates will not be increased from the amounts shown in the RMA.

**Fiscal Year 2009-2010 Special Taxes
for Developed Property and Undeveloped Property**

Class	Land Use	FY 2009-2010 Maximum Special Tax	FY 2009-2010 Actual Special Tax
1	Residential Property	\$0.9200/square foot	\$0.6485/square foot
2	Commercial Property	\$12,000.00/acre	\$8,459.34/acre
3	Industrial Property	\$12,000.00/acre	\$0.00/acre
4	Other Property	\$12,000.00/acre	\$0.00/acre
5	Undeveloped Property	\$16,000.00/acre	\$0.00/acre

A list of the actual special tax levied against each parcel in CFD No. 1 based on the Rate and Method of Apportionment is included in Exhibit A.
