*** Please excuse my notice in September, cancelling a meeting that I mistakenly thought was “meeting month.” While nobody has approached me with specific agenda items for this meeting, we will add any in accordance with our bylaws during the meeting if necessary. Also – the State and City has extended the order allowing for ZOOM/Virtual meetings; HOWEVER, Boards MUST vote to approve this meeting method. **PLEASE attend this short meeting** so we can accomplish that vote and get any updates from our City Partners. Thank you in advance, Marc.

Marc Lindshield is inviting you to a scheduled Zoom meeting.

*** I will be logging in about 6:50 if all goes as planned to allow everyone to join – I STRONGLY encourage you to visit the ZOOM page for information about meetings, how to log in, test your settings, and learn a bit about the easy-to-use program if it's your first time! Please remember to keep your Mic's MUTED unless speaking and remember to UNMUTE to share. At the bottom of the page, you will see a tab on the left that says "Participants", opening that allows you tools to "Raise Your Hand" for questions and comments. The meeting is recorded as our "Minutes" so keep that in mind with ALL comments during the meeting! ***
