Some helpful hints:

Downloading the Zoom app to your device seems to give the best results. You may register for free and minimize the amount of follow-up email by choosing your email notification preferences.

The Participant’s button is at the bottom center of the Zoom video screen. Use this button to get both a list of participants and to expose the “Raise Hands” feature at the bottom. If you are joining us via telephone, you can raise your hand via dialing \*9.

Leave your device muted during the meeting; this helps keep extraneous background sounds from interfering with the meeting. If you are joining us via telephone, you can mute/unmute yourself via pressing \*6.
