This information will be made available in alternative format upon request. To request an agenda in alternative format, to request a sign language or oral interpreter, or to request Assistive Listening Devices (ALD's) for the meeting, you must call the City of San Diego at (619) 235-5200 at least five working days prior to the meeting to insure availability.

I hope you are all having a nice day. I am reaching out to you on behalf of the Beyer Park project. As you all may recall, thanks to all of your support we were able to receive funding in last year's budget to complete the park's General Development Plan. Unfortunately, we were not able to secure funding to continue the project during this proposed budget. However, we just learned that it is **anticipated** we will receive funding during the May revision of the budget!! This is crucial, since the planning of the park will be able to continue to move forward if the funding is allocated.

**I would like to invite you all to please join us at the City Council budget hearing next Monday, May 15<sup>th</sup> at 6:00pm to speak in favor of the funding.** It is important that we have a strong presence at this hearing and advocate for the funding as many of you did last year. This is the public hearing where many citywide projects and concerns will be heard. The hearing will take place on the 12th floor of City Hall Administration Building located at 202 C Street San Diego, CA 92101.

We will be there to help coordinate the efforts and will be providing a fact sheet of the project (please let me know if you would like a copy before Monday). Please let me know if you are able to attend so I can plan accordingly.

Thanks again for all your help!

Gaby
