Subcommittee Agendas

A. Project Review (7:25 – 45 min)

Chair: Ann Pease

The applicants, Copley-Price YMCA, will make a 10 minute presentation followed by Q&A with the board and the public. The Project Review subcommittee met on August 22 and by a 6-0 vote passed the following motion:

Recommend to the full Kensington-Talmadge Planning Group approval of the plans for the YMCA at 4300 El Cajon Blvd. along with Conditional Use Permit, vacation of the existing utility easements, and the Project Development Permit with the four requested deviations for the trash enclosure, transparency, setbacks, and offsetting planes, with the following conditions:

- 1) Request the city direct the utility providers to relocate the existing utility boxes on Meade and Fairmount Avenues. The boxes should be moved far enough onto the YMCA's property to allow for landscaping on the public side. The YMCA shall grant easements to the utility companies to allow for this if the utilities will not underground the boxes in the public Right-of-Way.*
- 2) Request the sidewalk be textured with a medium broom finish.*

Action Item: Approval/Disapproval of the above motion.
