

Your input is Needed!

Help select the design for San Diego's newest neighborhood park!

The City of San Diego and the Pacific Highlands Ranch Community Recreation Group are seeking feedback on design alternatives for McGonigle Canyon Neighborhood Park, an approximately five-acre neighborhood park planned for the southeastern corner of Solterra Vista Parkway and Caminito Mendiola in the community of Pacific Highlands Ranch. The community is invited to participate in the future design of the new neighborhood park during the Pacific Highlands Ranch Community Recreation Group meeting on November 10 at 6 p.m. This is the second meeting to seek resident input and ensure San Diego's newest neighborhood park meets the community's recreational needs. At the meeting, two park designs will be shared reflecting the feedback collected at the September meeting. Input will be collected on the design alternatives to guide the design team in developing a preferred plan.
