**Subject: Cannabis Operating Fee**

---

On Feb. 15, 2022, the San Diego City Council approved a new Annual Cannabis Operating Permit Fee of \$20,802.84 per facility. The fee will help the Development Services Department meet established service levels, provide full-cost recoverability and provide sufficient resources to continue improving the quality of the mandated regulatory review process for the City's [Cannabis Program](#).

The Cannabis Operating Fee will be due on July 1, 2022. Fees apply to each of the 66 conditional use permits (CUP), whether they are operational or not. The Cannabis Business Division will invoice each CUP holder on June 1 of each year. Payment will be due on July 1 of each year, and payment shall be made to the City Treasurer. Failure to submit payment by July 1 will result in a 10% penalty added to the annual renewal of the Cannabis Operating Fee after 90 days and will be sent to delinquent accounts for collection. Late fees will be deposited to the City's General Fund.

For questions, please submit inquiries to Lara Gates, Cannabis Business Division Deputy Director, at [lngates@sanidiego.gov](mailto:lngates@sanidiego.gov) or call 619-446-5107.
