

CITY OF SAN DIEGO - 1222 FIRST AVE., M.S. 501, SAN DIEGO, CA 92101

PUBLIC NOTICE

Date: Feb. 29, 2024

Subject: Customer Workshop on Stormwater Quality Management Plan (SWQMP) Requirements

The City of San Diego Stormwater and Development Services (DSD) Departments will co-host a virtual workshop for industry professionals on Thursday, March 14, from 10 to 11:30 a.m.

This workshop will be a great opportunity for building and construction professionals, architects, civil engineers and environmental consultants to learn and interface directly with City representatives.

Topics discussed will include the latest on:

- Understanding the importance of meeting the storm water and flood plain requirements for new projects.
- SWQMP requirements (required documentation related to Infiltration feasibility testing, HMP Exemption, Pollutant Control BMP and HMP structures) and applicable Storm Water Standards.
- Flood plains.
- Tips for streamlining SWQMP review and approval.

This virtual workshop will be fully open to the public via the Zoom link below:
