Access Inc.

Project: Microenterprise Development

Activity Type: Community and Economic Development

Location: 2612 Daniel Ave., San Diego, CA 92111. Council District 7

Funding: \$70,670 (FY 2017 CDBG)
\$126,324 (Leveraged)

More Information:
www.access2jobs.org

ABOUT US

Founded in 1967, Access Inc. is an education, career-development and immigration agency known in the Linda Vista community for its work with immigrants and disadvantaged youth. Its mission: "To address the needs of the most vulnerable and underserved populations in San Diego County by promoting self-sufficiency and economic independence through education and employment opportunities."

PROJECT SCOPE

The Access Inc. Microenterprise Development Project provides immigrants and young adults with training, business counseling, financial literacy, business-plan assistance and other resources to establish and grow their small businesses.

PROJECT OUTCOME

By the end of the FY 2017 project closeout, 34 low- to moderate-income (LMI) clients were served.

ACCION

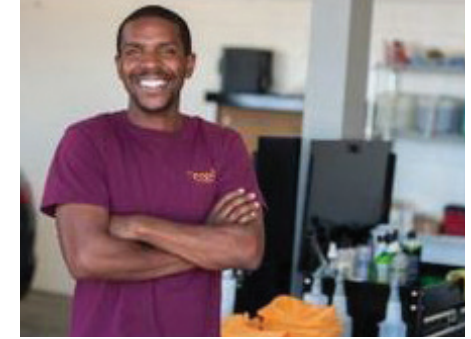

Project: Microlending Program

Activity Type: Community and Economic Development

Location: 404 Euclid Ave., Suite #271, San Diego, CA 92114. Council District 4

Funding: \$130,621 (FY 2017 CDBG)
\$2,432,132 (Leveraged)

More Information: us.accion.org

ABOUT US

Headquartered in San Diego, with branches in Imperial, Riverside and San Bernardino counties, ACCION is a 22-year-old nonprofit that has provided nearly 4,000 loans totaling more than \$30 million. It strives to bring economic opportunity and access to financing to small business owners through business support services and loans ranging from \$300 to \$75,000, helping them thrive in their communities and affect economic and social change.

PROJECT SCOPE

The Microlending Program provides business education and loans to low- to moderate-income (LMI) individuals within the City of San Diego to start or grow microenterprises.

PROJECT OUTCOME

By the FY 2017 project closeout, a total of 42 low- to moderate-income (LMI) clients were served.

Casa Familiar

Project: El K-FE: Coffee and Art Youth Job Training Program

Activity Type: Public Services

Location: 119 West Hall Ave., San Ysidro, CA 92173. Council District 8

Funding: \$28,301 (FY 2017 CDBG)
\$25,000 (Leveraged)

More Information:
www.casafamiliar.org

ABOUT US

With more than 51 programs and services, Casa Familiar leads initiatives designed to transform one of the nation's busiest border communities. Its mission: "To allow the dignity, power and worth within individuals and families to flourish, by enhancing the quality of life through education, advocacy, service programming, housing and community economic development."

PROJECT SCOPE

The El K-FE: Coffee & Art Youth Job Training Program provides San Ysidro youth with training, career planning, local economic revitalization and entrepreneurship through their work as baristas. Program participants also have the option of training as art docents, getting education about art, artists and art history before leading actual gallery tours.

PROJECT OUTCOME

By the FY 2017 project closeout, a total of 45 low- to moderate-income (LMI) clients were served.

Family Health Centers of San Diego

FAMILY HEALTH CENTERS
OF SAN DIEGO

Project: Safe Point San Diego, Family Health Centers of San Diego

Activity Type: Public Services

Location: 823 Gateway Center Way, San Diego, CA 92102. Council District 9

Funding: \$37,459 (FY 2017 CDBG)
\$128,755 (Leveraged)

More Information: www.fhcsd.org

ABOUT US

Founded in 1970, Family Health Centers of San Diego is Southern California's largest community clinic provider of healthcare to the uninsured among America's top-10 largest community clinics. Safe Point San Diego is among its many programs with the mission to "[p]rovide caring, affordable, high-quality health care and supportive services to everyone, with a special commitment to uninsured, low income and medically underserved persons."

PROJECT SCOPE

Safe Point San Diego provides direct, one-for-one syringe exchange, harm reduction kits, case management and educational materials to prevent infection transmission.

PROJECT OUTCOME

By the FY 2017 project closeout, a total of 1,452 low- to moderate-income (LMI) clients were served.

GRID Alternatives

Project: San Diego Solar Installer Apprenticeship Program

Activity Type: Public Services

Location: 930 Gateway Center Way, San Diego, CA 92102. Council District 9

Funding: \$39,485 (FY 2017 CDBG)
\$218,118 (Leveraged)

More Information:
www.gridalternatives.org

ABOUT US

Though San Diego has been touted as “America’s Solar City,” many of the City’s low-income communities don’t have access to solar electricity. GRID Alternatives works with community volunteers and job trainees to install solar panels on homes of low-income families at the rate of about two homes a week. Their mission: “Make renewable energy technology and job training accessible to underserved communities.”

PROJECT SCOPE

The San Diego Solar Installer Apprenticeship Program trains eligible youth and veterans for a career in the solar energy field.

PROJECT OUTCOME

By the end of the FY 2017 project closeout, a total of 25 low- to moderate- income (LMI) clients were served.

Homelessness Projects

ABOUT US

The Economic Development Department's Community Development Division works to improve the quality of life for all San Diegans and assist our most vulnerable residents. To provide much needed social services, it administers **Community Block Development Grant** funding and collaborates with the San Diego Housing Commission and the County of San Diego to invest three other U.S. Department of Housing and Urban Development entitlement grants: HOME Investment Partnerships Program (**HOME**), Emergency Solutions Grant (**ESG**) and Housing Opportunities for Persons With AIDS (**HOPWA**).

PROJECTS

- Connections Housing Interim Bed Program
- YWCA Cortez Hill Family Center (*pictured above, center*)
- Day Center Facility for homeless adults
- Interim housing program
- Interim shelter beds for homeless veterans and single adults
- Interim shelter beds for single adults
- Interim housing for homeless families
- Financial assistance/case management for individuals seeking permanent housing

PROJECTS OUTCOME

By the end of the FY 2017 project closeout, a total of 10,109 low- to moderate- income (LMI) clients were served.

International Rescue Committee

Project: Low-Income Entrepreneurship Assistance Project (LEAP)

Activity Type: Community and Economic Development

Location: 5348 University Ave., #205, San Diego, CA 92105. Council District 9

Funding: \$87,812 (FY 2017 CDBG)
\$172,808 (Leveraged)

More Information:
www.rescue.org/united-states/san-diego-ca

ABOUT US

The International Rescue Committee (IRC) “helps people whose lives and livelihoods are shattered by conflict and disaster to survive, recover and gain control of their future.” The IRC provides opportunities for refugees, asylees, victims of human trafficking, survivors of torture, and other immigrants to find safety, freedom and a future in America. The IRC works with government agencies, civil society actors and local volunteers to help their clients rebuild their lives.

PROJECT SCOPE

The Low-Income Entrepreneurship Assistance Project (LEAP) provides individualized technical assistance and business counseling to City Heights residents and refugees/immigrants in a one-on-one setting to guide business growth from start to expansion.

PROJECT OUTCOME

By the FY 2017 project closeout, a total of 82 low- to moderate-income (LMI) clients were served.

Jacobs Center for Neighborhood Innovation

ABOUT US

Founded in 1995, the Jacobs Center for Neighborhood Innovation aims to revitalize Southeastern San Diego through programming focusing on physical redevelopment, education-to-careers and the local economy. The Market Creek Plaza and Chollas Creek restoration project are two of the most visible achievements of the past two decades, fostering a thriving community embraced by its residents.

PROJECT SCOPE

Writerz Blok Youth Workforce Training Program provides an intensive, employer-informed, “earn and learn” program that prepares disconnected youth/young adults for employment through education, design-sector skills training and work experience. Graffiti, with Writerz Blok, is being used to transform the streets of blight into promise for a community.

PROJECT OUTCOME

By the end of the FY 2017 project closeout, a total of 39 low- to moderate-income (LMI) clients were served.

Mama's Kitchen

Project: Home-Delivered Meal Service

Activity Type: Public Services

Location: 3960 Home Ave., San Diego, CA 92105. Council District 9

Funding: \$56,885 (FY 2017 CDBG)
\$852,515 (Leveraged)

More Information:
www.mamaskitchen.org

ABOUT US

Founded in 1990, Mama's Kitchen has served more than 8 million meals, helping many city residents stay healthy, preserve their dignity and keep their families together. Its mission: "Mama's Kitchen, a community-driven organization, believes that everyone is entitled to the basic necessity of life - nutritious food. Our nutrition services improve the lives of women, men and children vulnerable to hunger due to HIV, cancer, or other critical illnesses."

PROJECT SCOPE

The Home-Delivered Meal Service project delivers nutritious, medically tailored meals to low-income San Diego residents who are mentally or physically unable to prepare their own meals while struggling with the debilitating effects of HIV/AIDS or cancer.

PROJECT OUTCOME

By the end of the FY 2017 project closeout, a total of 325 low- to moderate- income (LMI) clients were served.

Reality Changers

Project: College Town & Scholarship City

Activity Type: Public Services

Location: 3910 University Ave., Suite 300-RC, San Diego, CA 92105. Council District 9

Funding: \$185,265 (FY 2017 CDBG)
\$421,322 (Leveraged)

More Information:
realitychangers.org

ABOUT US

Founded in 2001 with just four students and \$300, Reality Changers aims to transform lives, schools and communities by providing youth from disadvantaged backgrounds with the academic support, financial assistance and leadership training to become first-generation college students. More than 1,300 disadvantaged youth have graduated from its program. More than \$100M in scholarship funds has been awarded to participants in pursuit of higher education.

PROJECT SCOPE

The College Town & Scholarship City Project prepares low-income, eighth- through 11th-graders to be college-ready by 12th grade.

PROJECT OUTCOME

By the end of the FY 2017 project closeout, a total of 1,068 low- to moderate- income (LMI) clients were served.

Second Chance

Project: Youth Garden Workforce Training Program

Activity Type: Public Services

Location: 6145 Imperial Ave., San Diego, CA 92114. Council District 4

Funding: \$83,563 (FY 2017 CDBG)
\$71,105 (Leveraged)

More Information:
www.secondchanceprogram.org/

ABOUT US

Founded in 1993, Second Chance helps those who have taken a wrong turn in life find their way to a brighter, more successful future. About 60 percent of Second Chance youth advance from the program to get a job and 10 percent pursue secondary education. Second Chance has helped more than 17,000 adults and youth since its inception. Its mission: "To disrupt the cycles of incarceration and poverty by helping people find their way to self-sufficiency."

PROJECT SCOPE

Second Chance's Youth Garden Workforce Training Program teaches San Diego's low- to moderate-income youth the skills to grow, harvest and sell fresh produce from two gardens, teaching them biology, money management and entrepreneurial skills.

PROJECT OUTCOME

By the end of the FY 2017 project closeout, a total of 87 low- to moderate- income (LMI) clients were served.

Serving Seniors

Project: Potiker City Heights Senior Residence Capital Improvements

Activity Type: Affordable Housing

Location: 4065 43rd St., San Diego, CA 92105. Council District 9

Funding: \$28,991 (FY 2017 CDBG)
\$95,396 (Leveraged)

More Information:
www.servingseniors.org

ABOUT US

Founded in 1970, Serving Seniors provides comprehensive, essential services to about 5,000 vulnerable, at-risk older adults annually at 10 San Diego County locations. Seniors access social-service case management; dental, mental-health, healthcare and legal services; and care management with health issues, homeless services, and affordable permanent housing (Potiker Family Senior Residence and Potiker City Heights). Nearly 600,000 meals are served each year. Its mission: "Helping seniors in poverty live healthy and fulfilling lives."

PROJECT SCOPE

Kitchen backsplashes and fire-safety improvements were made to Potiker City Heights, where seniors reside in 150 affordable studios and one-bedroom apartments. Each unit (350-500 square feet) has a full kitchen, central air and heating and secure underground parking.

PROJECT OUTCOME

By the FY 2017 project closeout, all 150 units at Potiker City Heights were successfully rehabilitated.

Urban Corps of San Diego County

Project: Pre-Corps Vocational Training Program

Activity Type: Public Services

Location: 3127 Jefferson St., San Diego, CA 92110. Council District 2

Funding: \$34,836 (FY 2017 CDBG)
\$78,200 (Leveraged)

More Information:
www.urbancorpsd.org

ABOUT US

Founded in 1989, Urban Corps offers a work-learn program that assists youth in completing high school and acquiring real-world job skills while earning a paycheck and bettering their communities. Roughly 90 percent of graduates go on to jobs or enroll in higher education. Its mission is to provide young adults with a high school education with job training and community service in the fields of conservation and recycling.

PROJECT SCOPE

The Pre-Corps Vocational Training Program encourages youth to become familiar with the Urban Corps program, begin classes at Urban Corps Charter School and learn skills that they will need in order to transition to the Urban Corps workforce training program.

PROJECT OUTCOME

By the end of the FY 2017 project closeout, a total of 211 low- to moderate- income (LMI) clients were served.

Valencia Park/Malcolm X Library

Project: Valencia Park/Malcolm X Library Facility Improvements

Activity Type: Infrastructure

Location: 5148 Market St., San Diego, CA 92114. Council District 4

Funding: \$668,176 (FY 2016-17 CDBG)
\$20,235 (Leveraged)

More Information:
www.sandiego.gov/public-library

ABOUT US

To prepare and inspire youth for the future of innovation, the Valencia Park/Malcolm X Library offers programming and resources that emphasize the STEAM (science, technology, engineering, arts and mathematics) curriculum in a safe, modern place for local students to gather, learn and explore.

PROJECT SCOPE

Enhancing the library's curb appeal and safety, Phase 1 of the project involved exterior painting and the addition of upgraded security cameras. Phase 2 created the state-of-the-art Legler Benbough Teen IDEA Lab, a multimedia center equipped with 3D printers, a laser printer and a vinyl cutter; a sound-recording studio; an interactive video wall; a video gaming center with Xbox and PlayStation; and more than 30 computers, including iMacs.

PROJECT OUTCOME

The Legler Benbough Teen IDEA Lab at the Valencia Park/Malcolm X/Library held its grand opening in January 2017, welcoming the youth of the Diamond neighborhood -- a low- to moderate-income community -- through its doors.

Workshops for Warriors

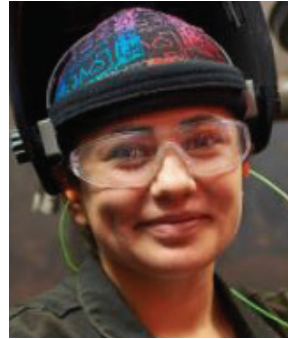

Project: Veterans Employment Training Program

Activity Type: Public Services

Location: 2970 Main St., San Diego, CA 92113. Council District 8

Funding: \$98,052 (FY 2017 CDBG)
\$1,530,972 (Leveraged)

More Information:
www.workshopsforwarriors.org

ABOUT US

Founded in 2008, Workshops for Warriors assists service members in making their transitions from military to civilian life with a variety of programs. Its mission: "To provide quality training, accredited STEM educational programs and opportunities to earn third-party nationally recognized credentials to enable veterans, transitioning service members and other students to be successfully trained and placed in their chosen advanced manufacturing career field."

PROJECT SCOPE

The Veterans Employment Training Program offers veterans industry-specific certifications in fabricating, welding and machining. It places program graduates in high-wage, high-demand jobs.

PROJECT OUTCOME

By the end of the FY 2017 project closeout, a total of 162 low- to moderate- income (LMI) clients were served.
