Communications

- Clarence Henderson spoke to City of San Diego Council President Sean Elo-Rivera. Council President Elo-Rivera asked for our Community Recreation Group to ask parents what is needed for them to feel safe to see how we may bring kids back to our park. Perhaps come up with some ideas for the next meeting.
- Dwayne Hill spoke on bringing back safety to Henderson. Bringing back the vision of Willie Henderson was. Many Families and kids spend time here in our park with a common motto to keep everyone safe. Perhaps mold it after the founder of the Poor Kids Club that focuses on making sure every kid plays.
