Heidi Vonblum
Planning Director
City of San Diego Planning Department VonblumH@sandiego.gov

Dear Director Vonblum:

The Community Planners Committee (CPC) heard from one of its members, Uptown Planning, about what they consider an overreach of the Planning Department while resolving a complaint made about the Planning Group. During this discussion, other CPC members brought up incidents where complaints were filed against their Boards and the Planning Department intervened differently.

Therefore, CPC, requests that a clear and formatted plan of how CPGs and the Planning Department will deal with each other while resolving complaints. CPGs and the Planning Department should know how the complaint will be handled and what is expected from each party. Furthermore, every planning group deserves to be treated equally by the Planning Department when a complaint has been made.

Let's work together in the coming months to come up with a road map for how complaints are to be handled before CPG recognition is finalized.

Please note it is not CPC's intention to opine on the issue that instigated the complaint against the Uptown Planning Group. We thank you for your consideration in this matter.

The CPC is looking forward to a new chapter of cooperation and understanding for the benefit of all parties involved.

Sincerely,

Andrea Schlageter
CPC Chair
