

In accordance with City Charter Section 141.4 Transparency and Public Disclosure of City Pension Payouts, this table reflects total amounts paid to each individual City retiree for the preceding calendar year from assets held by or managed by the San Diego City Employees' Retirement System (SDCERS). Amounts listed in the "2017 DROP Payments" column include both one-time lump sum payments and annuities. Retirees listed with less than 10 years of service either had service credit with a reciprocal agency that qualified them to receive a retirement benefit or are receiving a disability retirement. The pension payments listed below do not include amounts paid to a former spouse for his or her community property share of the benefit.
