San Diego – Councilmember Jennifer Campbell supports the amendments to the Sidewalk Vending Ordinance and issued the following statement:

“My staff and I worked diligently to bring the Sidewalk Vending Ordinance amendments to the Community and Neighborhood Services Committee. These amendments protect our permitted vendors while addressing concerns with sidewalk vending and expressive activities. It also gives the enforcement team the tools to ensure rogue vendors comply with the law. I look forward to bringing the SVO amendments to the City Council before the end of the year.”

Councilmember Jennifer Campbell represents District 2 communities, which include Clairemont, Mission Bay Park, Mission Beach, Old Town, Midway, Ocean Beach, and Point Loma.
