

Minutes of Annual Meeting held on March 1, 2012

Meeting was called to order by Frank Konyn at 7:15. Various political representatives in the audience were introduced.

Eric Larson of the San Diego County Farm Bureau gave a presentation on the State of Agriculture in San Diego County. San Diego County is one of the top 20 counties in the US in ranking of agricultural dollars. We have more than 600 farms. The four greatest impacts to agriculture currently on the economy, the price of water, available labor, and pest / diseases. Due to climate and demand for local products, Eric is bullish on the future of agriculture in San Diego County.

Dave Robert running for County Board of Supervisors, gave a presentation on his qualifications.

Charlie Jancic and Marc Lindshield gave an update on the current situation with the eye gnats, and encouraged people to all get involved, perhaps by installing traps of their own.

John Kowalski discussed some changes to the Parks and Rec with regards to inputs from local planning groups.

A big thanks to Safari Park for hosting the event.

Meeting adjourned at 8:15pm
