NOTICE OF ADJOURNMENT

Last month, the North Park Planning Committee canceled the March meeting and postponed the board election due to the COVID-19 outbreak and based on the "Gathering" guidance from the California Department of Public Health. Since then, the State has instituted a stay-at-home order that is still in effect and we are continuing to practice "social distancing". **Due to these circumstances, we are canceling the April 21 NPPC meeting and postponing the election once more.**

It is unknown at this time if the NPPC election can be held at our next meeting, which is currently scheduled on May 19th. At this time there are no other urgent agenda items on our docket. As that date approaches, we will assess if it is appropriate to resume our normal schedule or if we must consider another postponement. Below are links to government agency websites with information on COVID-19 that we are relying on to inform our decision, that you may also use as a resource.

We appreciate your understanding. We will send an update in mid-May. In the meantime, please keep taking good care of yourselves and each other!

Thank you,
North Park Planning Committee Board Members
