## Why is the PMP Needed?

- Changes in demographics & lifestyles are reshaping recreation needs
- The PMP is an opportunity to:
  - Reexamine current service levels
  - Identify new funding sources
  - Implementation plan

sandiego.gov

## General Plan Goals

- Prepare a citywide, comprehensive Parks Master Plan
- Build on the existing park system
- Achieve an equitable balance of recreational resources
- Adapt to future needs
- Keep pace with population growth

sandiego.gov

## PMP Goals

- Guide future acquisition, design, construction and programming
- Address park deficits to create equity
- Identify new park definitions of what a park is
- Promote connectivity to parks and recreation facilities
- Identify implementation strategies and funding options

sandiego.gov

## Project Schedule

- Three-year planning effort
- Four phases
  1. Existing Conditions
  2. Needs and Priorities
  3. Envisioning
  4. Implementing

## Public Outreach Effort

- Surveys
- Workshops
- Stakeholder meetings
- Online activities

## Special Considerations for Outreach

- Using clear, simple language
- Accessible workshops in different regions of the city
- Spanish facilitators
- Partner with community organizations to get the word out

## Project Website

[cityofsandiegoparksplan.com](http://cityofsandiegoparksplan.com)

## Regional Workshops

- Located in each of the 9 Council Districts and Downtown
- Scheduled this summer
- Open House style workshops

## Get Involved

- Join the mailing list
- Attend workshops
- Online engagement activities
- Spread the word
