Mission Trails Regional Park's West Sycamore

We hope you enjoy these additional 1,128 acres of recently acquired park property, with about seven miles of multi-use trails through beautiful chaparral and coastal sage scrub (**see trail map on other side**). Please do your part to help preserve this natural open space area for future generations by following the posted park rules.

For more information, call **619-668-3281**, or go to: **www.mtrp.org**
Emergencies: call **9-1-1** / **Non-emergencies:** call **619-531-2000**
