

This list is posted as a courtesy to private developers who seek the assistance of professional art consultants in meeting the requirements of the City of San Diego's "Art in Private Development" ordinance (O-19820). This list is not juried. Inclusion on this list should not be interpreted as a recommendation by the City of San Diego of the qualifications of any firm or individual appearing on this list. The list is organized by the geographic location where the consultant is based. However, most consultants work around the country and abroad. Art consultants wishing to be included on this list may send an email to dsprings@sandiego.gov.
