NSP

Narratives**Areas of Greatest Need:**

The areas of greatest need for which NSP funding is requested correlate to City of San Diego Council Districts 3, 4, 7 and 8 and, more particularly, zip codes: 92102, 92104, 92105, 92113, 92114 and 92154. The City will prioritize the use of the NSP funds by first targeting the acquisition of foreclosed units in neighborhoods with the highest concentration of subprime mortgage loans and at the highest risk of additional foreclosures, as evidenced through HUD-provided data and the City's data on foreclosures that have occurred from July 2007 through September 2008. The following eligible uses as identified in the Substantial Amendment are: Financing Mechanism (homeownership assistance, including homebuying counseling, to first-time homebuyers); Acquisition/Rehabilitation for Rental to Low-Income Tenants ("25% set-aside"); Acquisition/Rehabilitation for Resale to LMMI first-time homebuyers; Redevelop Demolished/Vacant Properties, and; Administration. The project dates and duration of assistance are upon release of funding by HUD until as long as funds are available and/or no later than the end of July 2013. The location of assistance is the City of San Diego, California, and the responsible organization is the San Diego Housing Commission on behalf of the City of San Diego.

Distribution and Uses of Funds:

Five activities are associated with this action plan as identified in the approved Substantial Amendment: Financing Mechanism - Homeownership assistance, including counseling; Acquisition/Rehabilitation and rental to low-income tenants (the "25 percent set-aside"); Acquisition/Rehabilitation and Resale to LMMI first-time homebuyers; Redevelopment of 2-5 demolished/vacant properties; and, Administrative costs to implement the NSP grant.

Overall Progress Narrative:

The City of San Diego's NSP program is working actively toward the obligation of its grant award. In addition to the homebuyers assisted and properties acquired to date, the San Diego Housing Commission has a number of homebuyers approved and seeking properties or with executed purchase contracts under its NSP-1 activity; is working on completing due diligence for the purchase of a multi-unit property under its NSP-2A activity; and is in negotiations or escrow for additional home purchases under its NSP-2B activity. Additionally, the City plans to submit a technical amendment to its NSP Action Plan in April, pending approval by the San Diego City Council, to allow for-profit developers to participate in the NSP-2A activity to facilitate the obligation of its grant funds.

Please note that due to an unresolved system glitch in DRGR, the Plan Description and Recovery Needs sections above in this QPR are not showing the most recent narratives that have been entered into DRGR for the City of San Diego. Additionally, we would like to note that NSP funds were drawn down by the City of San Diego in April, and due to the configuration of the DRGR system the drawn funds will be shown in the next QPR (April-June 2010).
