- Water Facilities
- Sewer Facilities
- Water Pipelines
- Sewer Pipelines

Background

The City of San Diego will be constructing numerous capital improvement projects to maintain, upgrade or replace public infrastructure and public service providing facilities within the communities of Uptown, North Park, Hillcrest, and Balboa Park in San Diego. These projects will be in construction simultaneously between early 2013 and mid-2018.

Combined, the Uptown-North Park construction projects include sewer and water replacement; facility upgrades; street striping and signal modifications; bridge reconstruction; curb ramp installation to facilitate access for persons with disabilities where required; bike lane; utilities undergrounding; and street resurfacing projects.

Project Overview

Asphalt Overlay Contract to resurface approximately 100 miles of streets in various communities throughout the city.

New bike lanes and pedestrian curb ramps that facilitate access for people with disabilities will be installed.

Project Schedule

Construction: March 2015 through November 2015*

*All dates are approximate and subject to change.

Project Budget

The project's planning, design, and construction budget is \$45,000,000.

January 2014
