- Recreation Centers
- Police Stations
- Fire Stations
- Lifeguard Stations
- Street Improvements
- Street Lights
- Traffic Signals
- Utilities Undergrounding
- Water Facilities
- Sewer Facilities
- Water Pipelines
- Sewer Pipelines

### Background

The City of San Diego will be constructing numerous capital improvement projects to maintain, upgrade or replace public infrastructure and public service providing facilities within the communities of Uptown, North Park, Hillcrest, and Balboa Park in San Diego. These projects will be in construction simultaneously between early 2013 and mid-2018.

Combined, the Uptown-North Park construction projects include sewer and water replacement; facility upgrades; street striping and signal modifications; bridge reconstruction; curb ramp installation to facilitate access for persons with disabilities where required; bike lane; utilities undergrounding; and street resurfacing projects.

### Project Overview

This project will replace approximately 63,000 square feet of concrete street panels citywide.

As part of the contract, fifty pedestrian curb ramps that facilitate access for people with disabilities will be installed or upgraded along the project alignment.

### Project Schedule

Construction: April 2014 through July 2014\*

\*All dates are approximate and subject to change.

### Project Budget

The project's planning, design, and construction budget is \$4,750,000.

January 2014
