

**CITY OF SAN DIEGO
City Council - District No. 2**

LORENA GONZALEZ
Environmental Attorney / Mother

As a **native San Diegan**, I care deeply about our city.

The old approaches have hurt San Diego. **We need a fresh start.**

I offer a blend of qualifications - public policy experience, professional preparedness, and personal commitment.

As an environmental attorney on the **State Lands Commission** and **Vice-President of the League of Conservation Voters San Diego**, I work to protect our beaches and bays.

With degrees from **Stanford University, Georgetown University and UCLA School of Law**, I am professionally prepared.

And, as the **mother of two children** and **wife of a Highway Patrol Officer**, I'll focus on our basic need for safe and livable neighborhoods.

Retired State Senator Dede Alpert stated:

"Lorena's commitment to bringing financial stability back to City Hall and working to restore our trust in city government has earned her my support."

State Senator Christine Kehoe wrote:

"Lorena Gonzalez will return fiscal responsibility to City Hall and protect the quality of life in our neighborhoods."

And **Congresswoman Susan Davis** says:

"Lorena is the choice for balance... a rare blend of passion for our neighborhood environments and the skills to lead City Hall out of its financial black hole."

I appreciate your consideration.

I BELIEVE SAN DIEGO'S BEST DAYS ARE STILL AHEAD

My wife, Katherine, and I live in Point Loma with our children, Jack and Lauren. I'm running for City Council because I care about our neighborhoods, and I know together, we can:

Restore Finances and Ethics

We must fix our financial and ethical problems so working families have the neighborhood services we deserve. As a businessman, I can balance budgets, cut waste and ensure pensions are reasonable. I will mandate an ethics pledge for every employee and official!

Protect Mission Bay and Our Beaches

Parks and beaches must be a priority. As Mission Bay Chairman, I uncovered \$17 million in park revenues politicians were using for their spending spree instead of protecting Mission Bay and our environment!

Improve Neighborhood Safety

I will fight to improve emergency response times to protect our families' safety.

I HAVE THE EXPERIENCE AND COMMITMENT TO SERVE SAN DIEGO

- Mission Bay Park Chairman
- San Diego Park and Recreation Board member
- Vice President, local business
- Member, Citizens Charter Reform Committee

It's time for a fresh start.

I will serve you with integrity, openness and accountability.
