

**CITY OF SAN DIEGO
City Council – District 3**

PAUL BROADWAY

Paul is a US Navy veteran and proud member of VFW Post # 7420, a homeowner who has lived in San Diego for twenty-five years. He served as a federal public safety officer and currently makes his living as a factory mechanic, but is best known as the owner-operator, with wife Marcia, of the popular and well-regarded San Diego landmark, Sparky's.

Paul accepts no monetary contributions, and pledges to serve one term only.

He asks for your vote to effect fundamental change in a City Hall that tolerated corruption and dangerously misplaced priorities.

Public service is a duty, not a career. We have enough career politicians. We as a community need to get things done. We need and deserve a city that works for us.

Paul's core issues:

- Compliance with all federal, state, and local laws
- An A credit rating
- Water policy that makes sense
- Justice in the pension fund scandal
- Our city as a center for green business

JAMES HARTLINE

Publisher

Seven years ago I began a journey to clean up many catastrophic problems plaguing District 3. I found that parents, children and seniors had become victims in District 3, the result of horrific mismanagement of our community's valuable governmental resources. From an illegal pornographic business located directly across from a Hillcrest elementary school to an invasion of unwanted redevelopers throughout the District, I have seen how our district's hardworking taxpayers and families have been put into overwhelmingly unjust predicaments. For the past seven years, I have stood up for the most vulnerable citizens in our District. Despite repeated attempts by powerful special interests to stop my efforts to clean up District 3, I have refused to quit in the battle to save my community. Over the past seven years I fought the good fight to clean up our district. I will continue my stand at city hall for all of our District 3 citizens. **As your councilman in District 3, I confidently declare to you that the day of corruption and backroom deals is over. I vow to honor District 3 with decisions based upon integrity, truthfulness and complete honesty.**

and the experience to get things done.”

Restore Integrity to City Hall

City Hall should be working for people, not developers and lobbyists. Stephen will fight for open, honest government and to stop backroom deals. Neighborhoods should be more involved in reviewing developments and city budgets.

Keep Our Streets Safe

Stephen supports more funding for police and firefighters to achieve two police officers per thousand residents and fire response times under five minutes.

Protect Our Quality of Life

Stephen will redirect tax dollars to repair streets and sidewalks and create neighborhood parks. He will protect small businesses that keep neighborhoods strong.

ROBERT E. LEE
for District 3,
Fresh. New. Change.

Have you had enough of the scandal and incompetence at San Diego City Hall? I say, Enough is enough!, and that's why I'm running for City Council, District 3. I'm proud to be an outsider who will stand up to the special interests that are corrupting City Hall and leave us, the people, holding the bag and footing the bill.

My **3 and 3** plan for **change** includes:

In District 3:

- **Crime prevention.** Increase the Police presence in District 3, prosecute offenders to the full extent of the law, and support Neighborhood Watch groups.
- **Transportation and mobility improvements.** Improve mass transit, including Bus Rapid Transit, and upgrade our streets.
- **Support economic and small business development,** so we can shop in our neighborhoods.

Citywide:

- **Pension and fiscal reform.** We simply cannot pay for needed programs and improvements until we get our City finances in order.
- **Infrastructure repair and upgrade.**
- **Public Safety — Police and Fire — retention and upgrade.** Retain and increase our Police and Fire professionals, and bring equipment and facilities up to standard.

If you're tired of business as usual, please vote for **Robert E. Lee for District 3!**

Thank you.
