Mayor**

KEVIN FAULCONER

**NONPARTISAN LEADER WITH
INTEGRITY -- EXPERIENCE**

I will be a nonpartisan leader who works with all sides to get things done. That's been my record as a city council member. That will be my approach as your mayor.

MY RECORD

I have real experience and a track record of helping turn our city around and improving our quality of life:

- Passed fiscal reforms, saving over \$1 billion that we can begin investing in our neighborhoods
- Worked to provide funding, services, and housing to help homeless women and families
- Led a diverse partnership of environmentalists, businesses, and community leaders to preserve Mission Bay
- Negotiated a bipartisan agreement to end the latest scandal at City Hall

MY PRIORITIES

As Mayor I'll continue to be a nonpartisan, independent leader who will continue the voter-approved reforms so that we can focus on:

- Improving streets and funding law enforcement
- Creating good jobs for local working families
- Improving our neighborhoods, starting in our most neglected communities
- Partnering with schools to expand after-school programs
- Creating accountability and transparency at City Hall
- Protecting our beaches and environment

It's time to finally put our neighborhoods first. I'd be honored to have your vote.
