City Clerk

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season. Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15. Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Vanessa Velasquez

Subject: Please Support Closure of Casa Beach During Harbor Seal Pupping Season
Date: Monday, February 17, 2014 6:30:48 AM

Dear San Diego City Council,

Please support winter seasonal closure at Casa Beach during harbor seal pupping season, December 15 to May 15 annually.

Closing this beach during pupping season will protect seal mothers and newborn seal pups from human harassment. Unfortunately, harassment and encroachment from people often result in the seals flushing into the water, which causes them to expend energy needlessly while preventing them from gaining the benefits of hauling out. When pups are on the beach, they can be injured or even killed by stampeding adult seals.

Biologists have observed that the presence of people on the beach near the hauled out seals typically results in large numbers of seals flushing. By prohibiting the public from entering the beach, flushing incidents will be vastly reduced, thus preventing premature births, abandoned seal pups and increased pup mortality. An abandoned harbor seal pup cannot survive without its mother.

For all of these reasons, it is imperative that you vote to protect the La Jolla Seals by approving the seasonal closure of Casa Beach.

Sincerely,

Laurent ZOONEKYND
91, rue de la Victoire
75009 Paris

Subject: Please Support Closure of Casa Beach During Harbor Seal Pupping Season
Date: Monday, February 17, 2014 12:06:15 PM

Dear San Diego City Council,

Please support winter seasonal closure at Casa Beach during harbor seal pupping season, December 15 to May 15 annually.

Closing this beach during pupping season will protect seal mothers and newborn seal pups from human harassment. Unfortunately, harassment and encroachment from people often result in the seals flushing into the water, which causes them to expend energy needlessly while preventing them from gaining the benefits of hauling out. When pups are on the beach, they can be injured or even killed by stampeding adult seals.

Biologists have observed that the presence of people on the beach near the hauled out seals typically results in large numbers of seals flushing. By prohibiting the public from entering the beach, flushing incidents will be vastly reduced, thus preventing premature births, abandoned seal pups and increased pup mortality. An abandoned harbor seal pup cannot survive without its mother.

For all of these reasons, it is imperative that you vote to protect the La Jolla Seals by approving the seasonal closure of Casa Beach.

Sincerely,

Roberta Wolff

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season. Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15. Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Baylie Woerner

These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15. Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Julia Voronina

City Clerk

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season. Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15. Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Angie Vlassis
