Subject: Please Protect Seals by Supporting the Winter Closure of Casa Beach!

Feb 16, 2014

City Clerk

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season. Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15.

Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Lori Schmollinger

Feb 16, 2014

City Clerk

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season. Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15.

Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Elisabetta Tullio

Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15.

Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Laurence and Christine Taylor

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season. Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15.

Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

City Clerk

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season. Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15.

Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Lilyana Srnoguy

Subject: Please Protect Seals by Supporting the Winter Closure of Casa Beach!

Feb 16, 2014

City Clerk

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season. Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15.

Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Alice Simmons

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season.

Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. Along with being unethical, this is a blatant violation of the Marine Mammal Protection Act.

These animals are trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15.

Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Subject: Please Support Closure of Casa Beach During Harbor Seal Pupping Season

Dear San Diego City Council:

I strongly support prohibiting beach access during the pupping season. I really don't understand why this has to be controversial. Do the opponents of the seals want there to be deaths of seal pups? It's a no brainer.

Sincerely,

Sid Shapiro, CPA, MBA

Subject: Please Protect Seals by Supporting the Winter Closure of Casa Beach!

Feb 16, 2014

City Clerk

Dear Clerk,

I was sickened to learn that seal families are being harassed by beachgoers as these highly sensitive animals seek a safe haven on Casa Beach during pupping season. Last year, despite protective barriers, residents were caught on video viciously harassing the animals--some of whom were apparently pregnant. These animals are just trying to survive and raise their families! Humans have razed wild coastal habitats and there are plenty of recreational beach areas available, so seal rookeries should be protected.

Please vote in support of the proposed resolution to prohibit public access to Casa Beach annually from December 15 to May 15.

Banning these events would be good for animals as well as California's fragile ecosystems, and I respectfully ask you to implement a ban.

Sincerely,

Marko Vodenicar
