ADOPTION AGENDA, DISCUSSION, OTHER LEGISLATIVE ITEMS

RESOLUTIONS:

ITEM-200: Approval of First Amendment to Agreement Regarding Expenditure of Excess Redevelopment Bond Proceeds (First Amendment). (Districts 1-9.)

ITEM DESCRIPTION:

On November 14, 2014, the Successor Agency agreed to transfer to the City the Excess Bond Proceeds pursuant to the Original Agreement on file in the Office of the City Clerk as Document No. 309247. When the Oversight Board approved the Original Agreement, it imposed a condition under which no new projects may be added to the Bond Spending Plan unless the Oversight Board first adopts a resolution approving the inclusion of such new projects in the Bond Spending Plan. The Parties now desire to enter an Amendment which reflects additions, deletions, and consolidations of original line items.

STAFF'S RECOMMENDATION:

Adopt the following resolutions:

Subitem-A: (R-2016-45)

Approving the First Amendment to Agreement Regarding Expenditure of Excess Redevelopment Bond Proceeds (First Amendment);

Authorizing and directing the Mayor, or designee, to execute the First Amendment, on the City's behalf, and to carry out the City's obligations under the First Amendment.

Subitem-B: (R-2016-44)

**SUB-ITEM B is being presented to the Council in its capacity as the board of the local redevelopment successor agency, officially known as "the City of San Diego, solely in its capacity as the designated successor agency of the Redevelopment Agency of the City of San Diego, a former public body, corporate and politic" (Successor Agency).**

Approving the First Amendment to Agreement Regarding Expenditure of Excess Redevelopment Bond Proceeds (First Amendment);

Authorizing and directing the Mayor, or designee, to execute the First Amendment, on the Successor Agency's behalf, and to carry out the Successor Agency's obligations under the First Amendment.

**STAFF SUPPORTING INFORMATION:****FISCAL CONSIDERATIONS:**

The First Amendment to Agreement Regarding Expenditure of Excess Redevelopment Bond Proceeds (First Amendment) will allow some Excess Bond Proceeds to be used to defease outstanding bonds, at the discretion of the City's financial staff. To the extent the Excess Bond Proceeds are used for this purpose, the Successor Agency's outstanding bond debt will be reduced, but the City will not be able to expend those proceeds for redevelopment projects. The Successor Agency's savings on bond debt as a result of any future defeasance will be shared on a pro rata basis by the local taxing entities, including the City, in accordance with their respective shares of general property taxes generated in the Redevelopment Agency of the City of San Diego (Former RDA's) redevelopment project areas. The City's pro rata share is approximately 17.5 percent.

Pursuant to Code Section 34171(b), the Successor Agency will continue to request a distribution of Redevelopment Property Tax Trust Fund (RPTTF) on each applicable Recognized Obligation Payment Schedule (ROPS) as may be necessary to cover the estimated project management costs associated with the implementation of the Bond Spending Plan by the City or its designees on the Successor Agency's behalf in accordance with the Bond Spending Plan. The California Department of Finance (DOF) approved all project management costs requested by the Successor Agency for this purpose in ROPS 14-15B (covering January through June 2015) and ROPS 15-16A (covering July through December 2015). The Successor Agency will continue to transfer ROPS-approved RPTTF to the City or its designees to pay for actual project management costs. The City may delegate a portion of the work associated with expenditure of the Excess Bond Proceeds to Civic San Diego, a California Nonprofit Public Benefit Corporation, in accordance with existing consultant agreements between the City and Civic San Diego, as may be amended in the future.

To the extent RPTTF is not approved on the ROPS to pay for actual project management costs, the City will not be obligated to implement the Bond Spending Plan and may elect in its sole discretion to return unexpended Excess Bond Proceeds to the Successor Agency. If the City continues to administer projects under the Bond Spending Plan in the absence of ROPS-approved RPTTF, then the City's project management costs would need be covered by a portion of the Excess Bond Proceeds (if eligible for this purpose under the applicable bond documents) or by another, non-redevelopment funding source available to the City.

Neither the Original Agreement nor the First Amendment has relieved the Successor Agency from paying, or transferred the Successor Agency's obligation to pay, the outstanding debt service obligations owed with respect to the Excess Bond Proceeds. The Successor Agency will continue paying all such obligations in compliance with each approved ROPS.
