PUT OUR NEIGHBORHOODS FIRST

- Special interest boondoggles like the Chargers ticket guarantee drain tax dollars.
- My “**Neighborhood Protection and Improvement Ordinance**” makes street/sidewalk repairs, park/fire station maintenance, utility line undergrounding, expanded library hours/neighborhood policing top budget priorities.

CLEAN UP MISSION BAY

- Protect and preserve our greatest recreational resource.
- Divert storm drain runoff and improve sewer maintenance/monitoring.
- Restore wetlands and limit commercial development.

ENERGY INDEPENDENCE

- Stop utilities and out-of-state generators from gouging us!
- Make San Diego energy independent through decentralized generation and conservation.

EXPERIENCE AND ACCOUNTABILITY

- The candidate with the experience to serve our neighborhoods from Day #1.
- Opposes a city-sponsored program to give away hypodermic needles to drug addicts. It sends the wrong message to young people and doesn't treat the root causes of drug addiction.
- Supports extension of the Boy Scouts' lease in Balboa Park so they can continue providing positive youth programs.
