Dear San Diegan:

Your next Mayor needs experience and commitment to lead our city into the next decade. With 12 years experience in city government and a history of finishing my terms in office, I believe I possess those qualifications.

- Completed the \$86 million trolley — which created 2600 jobs — on time and \$500,000 under budget.
- Fought high utility rates before the Public Utilities Commission and introduced a bill to freeze San Diego utility rates.
- Fought to preserve San Diego's unique environment.
- Supported jobs for local shipyards and established housing for the elderly.

Please consider my record and qualifications before you cast your vote for Mayor.

Thank you,

Maureen O'Connor
