MEASURES SUBMITTED TO THE VOTE OF VOTERS

STATE

66 ELECTED COUNTY ASSESSOR. Amends State Constitution to require an elected county assessor in all counties. Fiscal Impact: This measure would have no direct state or local fiscal effect. YES 160 → ○

NO 161 → ○

67 MURDER PENALTY. Increases prison term for second degree murder of certain peace officers performing duties to 25 years to life. Fiscal Impact: Measure will have a relatively minor impact on state costs and the state's prison population. YES 163 → ○

NO 164 → ○

68 LEGISLATIVE CAMPAIGNS, CONTRIBUTION AND SPENDING LIMITS. Establishes state legislative campaign contribution limits; provides spending limits where state matching funds accepted. Fiscal Impact: Annual revenue loss from tax return designations to Campaign Reform Fund is estimated at \$9 million. Annual state administrative costs will be about \$1.9 million starting in 1988-89. YES 167 → ○

NO 168 → ○

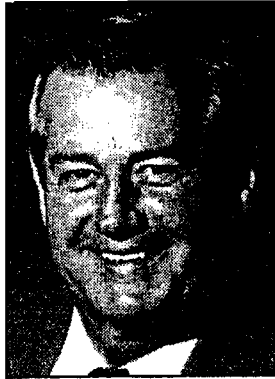

69 AIDS. Declares carrier of AIDS or related virus a contagious condition, subject to reportable disease regulation, quarantine and isolation. Fiscal Impact: The measure's cost could vary greatly depending upon its interpretation by health officers and courts. If only current AIDS control measures are continued, there would be no substantial change in costs. If the measure were interpreted to require added disease controls, the costs could range from millions to hundreds of millions of dollars per year depending on the measures taken. YES 172 → ○

NO 173 → ○

70 WILDLIFE, COASTAL, AND PARK CONSERVATION BOND INITIATIVE. Authorizes \$776,000,000 general obligation bonds for park, wildlife, coastal and natural land purposes. Fiscal Impact: Assuming all bonds are sold at an interest rate of 7.5 percent and paid off over 20 years, total repayment cost to state would be about \$1.4 billion. Other costs of unknown amounts could result from possible increase in cost of state borrowing and reduced income taxes because interest on bonds is tax free. YES 176 → ○

NO 177 → ○

ACCOMPLISHMENTS

Dear San Diegan,

In the 21 months I've been Mayor, many of my original goals have been reached.

- * STABILITY has been restored at City Hall.
- * CONSENSUS, not conflict, governs our Council meetings.
- * Thousands of acres of OPEN SPACE and parkland has been acquired, dedicated and protected – particularly Mission Bay's 4,600 acres.
- * An ORDINANCE CAPPING GROWTH has been adopted.
- * NEIGHBORHOODS, not developers, have a greater voice at City Hall.
- * MORE BEAT COPS have been dispatched to areas high in drug traffic.
- * A REVIEW BOARD and physical fitness program for police has been established.
- * EMERGENCY SHELTERS for homeless men and women have been opened.
- * MORE FEDERAL AND STATE FUNDS for our sewers have been collected.
- * GREATER COOPERATION with the County of San Diego and the City of Tijuana has been achieved.

The Super Bowl showed how well we can perform as a team. I'd like to lead that team again as your Mayor.

Thank you,

Maureen O'Connor
Mayor, City of San Diego

DR. JOHN KELLEY

John believes in applying **CHRISTIAN PRINCIPLES** in government!

John has accepted **JESUS CHRIST** as **PERSONAL SAVIOUR**. The most important decision one can make - assures a home in **HEAVEN**.

You can accept **JESUS** as **SAVIOUR** by believing the following **BIBLE** verses and **PRAYING**: "Lord forgive all my sins-save me."

"For the wages of sin is death, but the **FREE GIFT** of God is **ETERNAL** life in Christ Jesus, our Lord" - Romans 6:23.

"For God so **LOVED** the world that He gave His **ONLY BEGOTTEN SON**, that whosoever believes in Him should not perish but have **ETERNAL** life." - John 3:16

Jesus said to her "I am the resurrection and the life, he who **BELIEVES** in Me shall Live even if he dies." John 11:25

"For **ALL** have sinned and fall short of the glory of God." - Romans 3:23

"What must I do to be saved?" - Acts 16:30

"**BELIEVE** on the **LORD JESUS** and you shall be saved." - Acts 16:31

Life's short. Eternity's **FOREVER!**

ROSE LYNNE

My qualifications include a Master's in Science Education (New York University), with post-graduate studies in group dynamics, Founder of the Journal of Human Territoriality (1988), and 300 Published Monographs.

As Unofficial Ombudsperson (United States), thousands of red-tape cutters (Ombuds) complaint officers work because of my appearances at thousands of colleges and conventions, for years, "spelling" that Swedish word, trying to improve CIVIC PROBLEM-SOLVING SYSTEMS (all levels) including COMMITTEES.

The Mayor "shut me up" hundreds of times but became angry January 13, 1987 at my ad in the Los Angeles Times that morning, and at long last asked her police bodyguard to arrest me (actually CITE ME). Then she denied it!

City Attorney ordered Clerk: "Reject 33 words!"

... I DID!

Mandated deletions here exposed Mayor's illogical, capricious, unfair, slanderous, unethical and probably ILLEGAL CRIMINAL CONSPIRACY - WASTING LIVES, JOBS, DOLLARS - (THROUGH COMPULSIVE NON-LISTENING).

PLEASE VOTE FOR A CANDIDATE OTHER THAN THE MAYOR, ONE WHO HAS MUCH MORE LEADERSHIP EXPERIENCE AND IS MORE OPEN TO MAJOR NEEDED NEW IDEAS FOR IMPROVING OUR CITY.

Thank you.

(I do not wish to be elected, only to endorse!)

BETTER GOVERNMENT AND QUALITY OF LIFE

Charles, 34, a San Diegan, will not sponsor or advocate local tax monies for arts cultural festival in the communist dictatorship of the Soviet Union, a country that has repeatedly violated human rights in Afghanistan and its own country. Instead, we must concern ourselves with problems at home such as the homeless, crime, drugs, affordable housing, transportation and environmental quality.
