SAN DIEGO CITY COUNCIL
District No. 2

MIKE McLAUGHLIN
Community Business Owner

When the city can't police Mission Beach, that's a crisis. When city fire trucks have to make do with worn out hose, that's a crisis. When the budget is passed without serious scrutiny, that's a crisis.

City Hall bureaucrats are complacent – but I am not.

- * The city **must be** properly policed – no matter the cost!
- * The city **must have** adequate fire and paramedic services!
- * The city budget process **must be reformed!**
- * The city **must be made** more **customer friendly** and **neighborhood friendly!**

A Businesslike Approach

- * I'm a business owner. I've managed a community newspaper and started community Business Improvement Districts (BID)s.
- * I will **cut bureaucracy and red tape** and **make the city more customer friendly.**
- * I will **hire an independent, outside auditor** to make City Hall more accountable with our tax dollars.

Healthy Neighborhoods

- * Past president, Mission Hills Association.
- * Chair, Small Business/Neighborhood Revitalization Committee.
- * President, Green Manor Senior Apartments.
- * Board, Grant Elementary School Foundation.

I believe in neighborhood based public service.

I will encourage community businesses (like antique villages and restaurant centers) and increase infrastructure spending in older areas. Healthy neighborhood businesses make healthy communities.

Let's Make Our City and Our Neighborhoods Work Again!

District No. 4**

**ELLINGTON DANIELS

Resident Manager**

I am a Grassroots Candidate for Fourth District Councilman, and I firmly believe, "A COMMUNITY DIVIDED AGAINST ITSELF WILL NOT STAND!"

We as a community must establish economic power, and until we do, we will not have a strong voice as a community.

Land is being sold throughout our Fourth District Community, and we are not receiving any of the profit. But, if we take at least 8,000 people, \$50 per person and purchase a \$400,000 piece of property, we are putting economic power into the hands of the people in the Fourth District Community. Then when a developer wants to purchase the land, it would not be sold, but the land would only be leased, therefore, causing a trickle-down effect allowing those who invested, to be paid for as long as the investors owned the land.

I am responsible for managing a 47-unit apartment complex, which was notoriously known for its drug problems. I implemented a "zero percent" drug tolerance policy. It is now secure, safe and occupied by concerned families.

This is not about what I will do, but what we will do as a community together. We will become a community of action.

TIME FOR A CHANGE

- Four years ago, we voted for change at City Hall because our murder rate was up 12%.
- Today, homicides in our district are up another 19%, despite a 23% decline citywide.

WE DESERVE RESPECT

- We have the highest unemployment and lowest job creation rate in the city. We get little respect from business leaders and elected officials.
- We lost our long-promised supermarket and continue to get short-changed in city services.
- I have proven I can work with business leaders and elected officials to deliver needed services and employment opportunities for our district.

I WILL DELIVER FOR YOU

As your school board representative, I kept my promise to ensure excellence for our children:

- reduced drop-outs by 50%
- constructed six new schools in our district, created thousands of jobs
- increased student achievement
- "zero tolerance" for weapons – crime rate declined on campus

A RECORD WE CAN BE PROUD OF

- Professor, San Diego State University
- Outstanding Faculty award
- Married 22 years, two children
- 17-year resident of the district
- Active in church, youth programs

Fighting Gangs/Crime

- * Implemented **"No Nonsense" 10 PM Teen Curfew.**
- * Closed **drug houses, crack houses and liquor stores** that sold drug paraphernalia to minors.
- * Established **"No Drug Loitering Ordinance", "Ordinance Against Pay Phone Proliferation"** and **Unsolved Murder Task Force.**
- * **Operation Shutdown** – infiltrate and prosecute gangs.
- * **More police patrols and Community Based Policing.**

Jobs/Economic Development

- * Won **\$100,000,000-plus** small business, mortgage and construction loans.
- * Broke ground for **2 major supermarkets.**
- * Won **youth training/employment grants.**
- * Funded **Apprenticeship Training Center.**

Community Revitalization

- * Towed **hundreds of abandoned vehicles.**

LEADERSHIP — COMMITMENT — DETERMINATION

I KNOW AND UNDERSTAND THE SIXTH DISTRICT:

- LIFELONG RESIDENT OF DISTRICT (40 YEARS)
- RAISED IN LINDA VISTA
- KEARNY HIGH GRADUATE (CLASS OF '72)
- LIVED IN MISSION VALLEY AND SERRA MESA

I HAVE WORKED TO IMPROVE THE AREA:

- FOUNDED LINDA VISTA TOWN COUNCIL
- FOUGHT THE \$12 MILLION L.V./CLAIREMONT SLUDGELINE
- PUBLISHED "SLUDGELINE ALERT".

I have seen first-hand the tremendous changes that have taken place in the Sixth District. I believe area is headed in the **wrong** direction!

Unless government gets more involved in the right way, **we could lose our high quality of life.** The sludgeline, the Stadium expansion, the Mission Valley Trolley, and the out-of-control construction in Mission Valley are just a few of the warning signs.

That's why I am running for City Council — to bring better government leadership to the task of getting our communities back on the right track.

I will fight to stop the sludgeline, to reduce noise and traffic congestion around Stadium, and stop the Mission Valley Trolley.

SAN DIEGO CITY COUNCIL
District No. 6

MICHAEL PALLAMARY
Age 41
Small Business Owner/Community Leader

Today, in our District, there are gangs, graffiti, broken sidewalks, crumbling streets, pornography sold from vending machines, parks that are not safe, and businesses that are closed. In our City there is the constant threat of layoffs and recession.

Enough! We need leadership for a change! We need Michael Pallamary!

Michael Pallamary's priorities:

- Basic repairs to streets and sidewalks.
- Canyons and parks cleaned up.
- Sewage spills into Mission Bay stopped.
- Help for small businesses.
- Programs for young people.
- Our community image enhanced to protect our property values.

. . . For a community where families can remain for generations — safe, stable, and secure.

Michael Pallamary:

- | | |
|-------------------------------------|-------------------------------------|
| • 19-year resident of our community | • Parent, homeowner, business owner |

Michael Pallamary will fight for:

- **SAFETY** from crime in our streets.
- **SECURITY** from recession and layoffs.
- **STABILITY** in our residential neighborhoods.

"Please give me your vote. I'll work hard for us."

. . . Michael Pallamary

**SAN DIEGO CITY COUNCIL
District No. 6**

**ROLLA RICH
BUSINESSOWNER
MILITARY VETERAN**

Our City Council serves the paternalistic elite and not the citizens. It spends its police resources pulling over motorists for not wearing seat belts or helmets; it has a police chief which denies concealed carry permits to lawful citizens; it insists on a sports arena Downtown, where land is more expensive; and it has a bingo ordinance which prevents the American Legion's proceeds from going to veteran's organizations - including the VA medical center!

I believe that government should be used as a last resort, not as a central planner. The purpose of government is to ensure the public welfare, focusing its resources on that purpose while reducing the obstacles to private provision of these needs.

Our City Council focuses on San Diego's image to the outside elite. This comes at the expense of every industry not involved in tourism, and of every resident who lives in a city which cares more about other cities' residents than its own.

I am a man of principles. San Diego needs officeholders who will adhere to principles - and who will serve the residents rather than the elite.

**SAN DIEGO CITY COUNCIL
District No. 6**

**VALERIE STALLINGS
City Council Member**

WE'VE COME A LONG WAY

I'm proud of what we accomplished in four years —

- Giving police the resources to do their job, helping create Citizen Patrols, forming Clairemont Graffiti Blasters, establishing a police Satellite Station — **crime is down 17%**;
- Cutting red tape and fees to make San Diego **California's most business-friendly city**;
- Putting **an end to political grandstanding** and bickering which divided the council.

I KEPT MY PROMISES

- **"Cut the 6th District budget."**
We have the lowest council budget in the city.
- **"Oppose costly secondary sewage treatment."**
Saving taxpayers over \$3 billion.
- **"Attract new businesses."**
Added over 5,000 new, high-tech jobs just this year.
- **"Stronger community voice at City Hall."**
Helped establish Town Councils, Chambers of Commerce; gave residents power over decisions affecting their neighborhoods.

DON'T GO BACK!

We made a good start, but there is much more to do. We can't afford to go back!

- Aggressively enforce anti-graffiti and anti-gang laws, expand juvenile crime prevention programs.
- Improve street and sidewalk maintenance; revitalize business districts; accelerate sewer and storm drain improvements to protect Mission Bay.
- Ensure neighborhoods are protected from impacts of the sludgeline, which I strongly opposed.

PUBLIC SAFETY: Juan opened the South Bay Police Station, started the Logan Heights Citizens Patrol, and organized the Retired Seniors Volunteer Patrol. The district is also getting 2 new fire stations.

ECONOMIC DEVELOPMENT: After years of neglect, the Mercado Plaza is coming to Barrio Logan. In Otay/Nestor, Juan brought hundreds of jobs with a new WalMart Super Store.

CLEANING UP THE COMMUNITY: Juan organized numerous community clean-up days, implemented the Graffiti Hotline, and closed liquor stores where drug dealers and winos hung out.

RECREATION FOR YOUTH: Juan opened Sherman Heights Recreation Center and Cesar Chavez Recreation Center. He fought to prevent cuts in after school recreation programs.

"I want to thank the people for giving me the opportunity to serve on the City Council — and I pledge to work even harder to make our community a better place for all of us."
