

Office of
Council President Pro Tem Anthony Young
District four
MAY 23, 2007 Weekly Update

Better minds for a better future!

L-R: Councilman Young, Eloisa Madrigal, Aaron Nash, Jerome Abaya, La Salle Mitchell, and Shiela Jackson, Vice President of the San Diego Unified School District.

City Council Actions:

On Monday May 21, 2007, we approved the Mayor's recommendation to sell some city-owned real estate. Since coming into office I have requested the Real Estate Assets department to review all city-owned real estate and manage city-owned properties as both responsible caretakers and pro-active managers. My recommendation was for this city to manage the public's properties like an efficient and effective first class real estate business that has as its mission, delivering the best value possible to the public and in the process enhancing the quality of life for all city residents.

I was very pleased to see the department has made significant improvements in managing the public's properties and supported their recommendations for the properties presented to us.

The Council joined me in honoring the 2007 class of exemplary students inducted into the 4th Council Districts Walls of Excellence. Each year we acknowledge and recognize the academic excellence, leadership, school and community service of graduating senior high school students in the 4th District. The students selected this year from Morse High School are La Salle

Mitchell, Ruth Mendez, and Jerome Abaya. Students selected from Gompers High School are Nayeli Gomez, Aaron Semaia, and Nancy Xaysanasith. Students selected from School of Creative and Performing Arts are Autumn Jones, Aaron Nash, and Eloisa Madrigal.

The induction ceremony for these outstanding students will be held at the Walls of Excellence on June 2, 2007, 10:00 a.m., located at the intersection of Imperial Avenue and Willie James Jones Avenue across from the soon to be finished Lincoln High School. You are all invited.

In a prior action of the Council, I received unanimous approval of my recommendation to appoint Derryl Williams to the Southeastern Economic Development Corporation (SEDC) Board of Directors. Mr. Williams is a contract administrator with over 26 years of experience negotiating and implementing contracts in the Aerospace Industry. He is very active in community affairs and has a distinguished record of service on several boards and commissions including the City of San Diego's Select Committee on Government Efficiency and Fiscal Reform, Webster Community Council, Encanto Neighborhood Community Planning Group, and Groundwork San Diego. Mr. Williams is an outstanding addition to the SEDC Board of Directors and I thank and commend him on his willingness to volunteer his time and effort to improving economic and development opportunities in the 4th and 8th Council Districts.

Keeping our communities clean and free of debris is an ongoing effort we all must continue to be involved in.

The Broadway Heights Community Council needs your help! The Council is hosting a 16 day Civil Rights tour for youth and mentors from the 4th District. The Youth Leadership Team will get firsthand information of the civil rights movement, American history, via visits to the White House, Congress, MLK Center in Atlanta, Lorraine Motel Civil Rights Museum in Memphis (where Dr. King was murdered), and the Edmund Pettis Bridge in Montgomery, Alabama (site of the famous march from Selma to Montgomery by Dr. King in 1965). This life experience for our 4th District youth will begin in July of 2007. Please call (619) 993-7612 for information on how you can contribute to this highly commendable effort by the Broadway Heights Community Council. Your help in this effort is greatly appreciated.

The 3rd Annual Filipino-American Arts and Culture Festival will be held on Paradise Valley Road on October 6, 2007. This event will showcase the great diversity that is found in our wonderful District through cultural performances, educational booths, ethnic foods and art displays. In order to ensure a successful event, the Filipino-American Arts and Culture Committee is now currently in the planning stage and would like to extend the invitation to any interested members of the community who would like to help plan and organize for this grand festival. This would be a great opportunity to meet new neighbors in the Fourth District and to bring the community together for a day of fun. If interested, please contact Liezl Mangonon from my staff for more information at 619-236-6644.

Community Council Meetings:

I am of the opinion that my life belongs to the community, and as long as I live it is my privilege to do for it whatever I can.

We all know how unfortunate it is when a child has to be raised by his/her grandparent or a relative. I commend and congratulate this group of grandmothers who are doing what they can to raise their children's children and assist others who are experiencing the same. Any assistance or resources you can provide to them will be very helpful. Thank you for your help and support. For additional information, please contact Sheryl Lambert at (619) 931-9548.

Boards & Commissions:

“Everybody can be great because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve.

You only need a heart full of grace. A soul generated by love.”

—Dr. Martin Luther King
