

Office of
Council President Pro Tem Anthony Young
District four
JUNE 26, 2007 Weekly Update

Love, fun and food.
HAVE A SAFE AND HAPPY 4TH OF JULY!

City Council Actions:

On Tuesday June 26, my fellow Council members unanimously supported my recommendation to provide \$311,000 to put a new roof on the Malcolm X Library. This is a very much needed improvement to one of the jewels of the 4th District, the Malcolm X Library. Replacement of the old and leaking roof will ensure youth and families have an opportunity to use their library without having to worry about water damaged materials, equipment, and books. I thank the Mayor and my colleagues for their support of my continuing efforts to improve the libraries in the 4th District.

The Council will be in recess until July 9, 2007. Have a great and safe 4th of July celebration.
