

OFFICE OF
COUNCILMAN ANTHONY YOUNG
 CHAIRMAN, COMMITTEE ON BUDGET AND FINANCE
 DISTRICT FOUR

CITY OF SAN DIEGO

OCTOBER 15, 2009 WEEKLY UPDATE

Councilman Young continues to proudly serve the citizens of the Fourth Council District in the City of San Diego!

COUNCIL ACTIONS:

District Four sites not considered as Council selects downtown site for Homeless Winter Shelter Program!

On Tuesday, October 13, 2009, the San Diego City Council voted to locate the Homeless Winter Shelter Program in downtown where a majority of the homeless congregate. I thank my fellow Council members for supporting my efforts to ensure that no locations identified outside of the general downtown area were selected. An additional site was selected to provide services to homeless veterans at the Veterans Village of San Diego. I was pleased we were able to site locations to provide shelter and services to homeless individuals during the winter months. However, my fellow Council members shared my concern regarding us going through this issue on a yearly basis. They supported my motion to address this matter once and for all by beginning discussions and actions to site a Homeless Winter Shelter Services Program for winter 2010, in November 2009!

On Tuesday, October 13, 2009, the San Diego City Council voted unanimously on my recommendation to establish the Citizen's Revenue Review and Economic Competitiveness Commission as set forth in my memorandum to the Mayor and Council dated September 21, 2009.

City government is going into uncharted waters as we face a continuance erosion of revenues based on the nationwide economic recession, the State of California "borrowing" from the City to balance its budget, and a significant increase in expenditures including an over \$225 million pension payment due in 2010. Currently, San Diego businesses are struggling to stay in business or to remain in San Diego to do business. Businesses seeking to locate to San Diego may be finding it very difficult to do so. The Commission's task will include:

- Receive findings of Revenue Audit conducted by the Independent Auditor and pursuant to those findings, make recommendations to the Mayor and Council for their review and consideration.
- Receive findings from a city-wide survey on optimum city service levels desired by the public, and make recommendations to the Mayor and Council for their review and consideration.
- Engage the public and private sectors in reviewing best practices and strategies designed to retain businesses in San Diego and attract businesses to San Diego; make recommendations towards providing efficient, effective and quality city services which improve the quality of life of all of San Diego's communities while also maintaining a balanced budget with limited revenues.

On Tuesday, October 13, 2009, the San Diego City Council voted unanimously to allocate funds to replace water mains in various areas of the 4th District's Skyline and Paradise Hills communities. This project will also include installing curb ramps and street resurfacing. The majority of water mains to be replaced will be constructed within the existing paved City rights-of-way. After completion, residents will experience improved reliability of the water distribution system. This action is part of the City of San Diego's Water Main Replacement Program as mandated by the California Department of Public Health.

Community Clean-ups are continuing to be held throughout the 4th District. I commend, thank, and congratulate the many community volunteers, city staff, non-profit organizations and EDCO Waste & Recycling Services that assist in these efforts. Keeping our communities clean and free of debris is an ongoing effort we all must continue to be involved in. Special community cleanup event areas are selected based upon citizen requests, pledges of community involvement and previous citizen participation levels. Please feel free to call Solid Waste Code Enforcement Officer Alejandro Alvarado at (858) 627-3317 if you would like to request a clean-up in your area and/or if you have questions.

On October 7, 2009 the Department of Environmental Services along with community volunteers Henry and Christine Miller conducted a mini community cleanup in the Encanto area. This successful cleanup removed a total of 11.04 tons of waste of which 10.49 tons of non-recyclables and 0.55 tons of recyclables consisting of metals and appliances was collected from the neighborhood. Mr. and Mrs. Miller are to be commended for their assistance and support. For any questions regarding the clean up event contact Enforcement Officer Christopher Penman at (858) 492-6027.
