

CITY OF SAN DIEGO

OFFICE OF
COUNCILMAN ANTHONY YOUNG
CHAIRMAN, COMMITTEE ON BUDGET AND FINANCE
DISTRICT FOUR

FEBRUARY 19, 2010 WEEKLY UPDATE

Councilman Young with residents of Paradise Hills.

COUNCILMAN YOUNG CONDEMNS ACTIONS OF STUDENTS AND OTHERS WHO MOCKED THE AFRICAN AMERICAN CULTURE

I strongly condemn the actions of UCSD students and others who participated in these heinous acts. It is very disheartening to have our youth behave in such an outrageous manner. The African American culture and history is an integral factor in the success of our great nation.

A racially offensive themed party mocked African American culture alongside the commemoration of Black History Month this past weekend. I applaud Chancellor Fox and Vice-Chancellor Rue of the University of California, San Diego, for their swift response to the shameful event. It is very encouraging to see the immediate action that UCSD has taken. This includes the condemnation of the event, an investigation of this matter, and open communication with all students and faculty members. Additionally, myself and other members of the community will be meeting with the Chancellor early next week to discuss this matter and offer assistance in helping ensure the students of UCSD and youth throughout this city and county understand, value, and appreciate the rich cultural diversity of our region and nation.

COUNCIL ACTIONS:

On Tuesday February 16, 2010 the San Diego City Council voted unanimously on my motion to approve a resolution in support of the Local Taxpayer, Public Safety and Transportation Protection Act of 2010. The Council also supported declarations that the City Council strongly urges the state legislature and Governor to suspend the enactment of any new mandates on local governments until such time as the economy has recovered and urges the state to provide complete funding for all existing and any new mandates; and declared that the City Council strongly urges the state legislature and Governor to resolve the state budget problem and enact long-term reforms to address the ongoing structural deficits that have plagued the state for the last three fiscal years without borrowing or taking funds needed by local governments.

On Tuesday February 16, 2010 the San Diego City Council voted unanimously to place on the June 8, 2010, ballot the following questions for voters: Shall the Charter be revised to make permanent the Strong Mayor form of governance, add a ninth Council seat; and, when the ninth seat is filled, increase the Council votes required to override a mayoral veto to a two-thirds vote?

Employment Opportunities with the 2010 Census: Be Counted and Help Count

The U.S. Census will begin contacting households in March as they start the count of everyone living in the United States. Households should complete and mail back their form upon receipt.

Every year, the federal government distributes more than \$400 billion to state, local and tribal governments based on census data. The U.S. Constitution requires a national census once every 10 years for the purpose of reapportioning the U.S. House of Representatives. The federal government uses census data to help determine funding for state, local and tribal governments.

The San Diego office of the 2010 Census is looking to fill some 1,300 temporary positions in the next few months to help count the residents of San Diego County.

They are especially looking for bilingual applicants to fill the following positions: Census Takers; Crew Leaders; Crew Leader Assistants; Recruiting Assistants; and Census Clerks.

The job can last from a few weeks up to three months, and priority will be given to U.S. citizens, although legal residents are eligible, as well. Wages vary from \$11.75 to \$18.50 per hour.

Representatives of the 2010 Census invite members of the community to sign up for the

entrance exam and submit an application. The exam is given at locales across the county at different times. There is more information available, in English and Spanish, at (866) 861-2010 or online at www.2010censusjobs.gov.

The Neighborhood Unity Foundation (NUF) is accepting mini grant applications. The community can apply for grants from \$500 up to \$5,000.
