The District 7 office commends the El Cerrito Community Council for staging its first Neighborhood Clean-Up. The clean-up, held Saturday, June 6, 2009 in the Soria Dr/Adams Ave/College Ave/El Cajon Blvd areas, was a resounding success! Neighbors came out to pick up trash and debris, pull and sweep up weeds and beautify the residential area.

The Next El Cerrito Neighborhood Clean-Up will take place in September, in the 58th Street area. Details will be announced in upcoming newsletters. Please e-mail ECCC@cox.net to subscribe to the El Cerrito Community Council newslst.
