§59.5.0202  Duties and Responsibilities of the Administrator Noise Abatement

Administrator

(a) [No change in text.]

(b) The Administrator is expressly charged:

(1) through (2) [No change in text.]

(3) To grant or issue variances, permits, notices, or other matters required under the provisions of this article as allow exceptions to the requirements of this article, subject to conditions, when practical difficulties or unnecessary hardship involved in carrying out this article exist, if the exception will not be contrary to its the purpose and intent of this article or detrimental to the public health, safety, and general welfare of the citizens of the City of San Diego, when, due to special conditions, strict and literal interpretation and
enforcement of the provisions of this article would result in unusual difficulties or unnecessary hardship or be inconsistent with the general purposes of this article. In granting any such variance or permit, the Administrator shall hold hearings and may impose such conditions as he deems necessary or desirable to protect the public health, safety, and general welfare in accordance with this article.

The requirement for a public hearing prior to issuing a permit or variance may be waived by the Administrator where a single social event is scheduled to occur between the hours of 7:00 a.m. and 11:00 p.m. and does not involve more than 200 persons or where a Special Event Permit is issued pursuant to Chapter II, Article 2, Division 40 of this Code by the City Manager.

§59.5.0203 Issuance of Permits or Variances by Administrator

The Administrator shall evaluate all applications for permits or variances from the requirements of this article and may grant said variances with respect to time for compliance, subject to such terms, conditions, and requirements as he or she may deem reasonable to achieving compliance with the provisions of this article. Each such variance shall set forth in detail the approved method of achieving compliance and a time schedule for its accomplishment. If in the judgment of the Administrator the time for compliance cannot be reasonably determined, a permit to cause the noise may be issued for a period not to exceed three (3) years. In
determining the reasonableness of the terms of any proposed permit or variance, said Administrator shall consider the magnitude of nuisance caused by the offensive noise, the uses of property within the area of impingement by the noise, operations carried on under existing noneconforming rights or conditional use permits or zone variances, the time factors related to study, design, financing and construction use permits or zone variances, the time factors related to age and useful life of the equipment and the general public interest and welfare. 

A nominal fee shall be charged to each applicant for processing permits or variances. Fee schedules shall be approved by Council resolution. A report of permits and variances shall be prepared monthly and be available for public review.

§59.5.0204 Appeals

Any person directly affected by the noise and/or the applicant who is aggrieved by approval or disapproval of a variance or permit by the Administrator may appeal in writing within fourteen (14) calendar days of the decision to the Neighborhood Code Compliance Department Deputy Director who will schedule an appeal hearing before a hearing officer appointed by the City Manager. In the case of a permit denial, the hearing shall be scheduled as soon as feasibly practical in order to consider the matter.

§59.5.0206 The San Diego City Noise Map

(a) The official record of noise levels in the City of San Diego shall be the San Diego City Noise Map. The Development Services Director shall compile existing records of sound level measurements and noise
prediction models available to The City of San Diego, and take further
sound level measurements as necessary. From these records,
measurements and models, the Development Services Director shall
determine Community Noise Equivalent Levels (CNEL) for The City of
San Diego. The map shall be sufficiently detailed to enable a resident to
locate his/her place of residence. Where adequate data are available the
map shall be marked with isograms of CNEL at 60 decibels, and at five-
decibel intervals above 60 decibels.

(b) At least once each year the Development Services Director shall revise the
San Diego City Noise Contours, correcting any inadequacies that may
have become evident particularly from noise measurements made during
the preceding year.

(e) Any person may request the Development Services Director to accept for
a location within the City of San Diego, a CNEL where none is predicted
by the San Diego City Noise Map or which differs from the predicted one,
subject to the following requirements. The request shall be accompanied
by an estimate of the annual CNEL at the place that is based on a survey
of noise there that includes essentially continuous measurement of the
sound level over a period of at least two weeks, and appropriate
information about the noise–making activity in the area during the test
period and during the preceding year. These two items shall be such as to
support the stated estimate of annual CNEL within an accuracy of two
decibels. The survey and estimate of annual CNEL for the specific date
and place shall be made by a qualified acoustical consultant at the expense of the applicant.

§111.0101 Title

(a) Chapters 11, 12, 13, and 14 of the City of San Diego Municipal Code shall be known collectively, and may be referred to, as the Land Development Code. Chapter 15 of the Municipal Code contains regulations pertaining to Planned Districts as adopted by the City and shall constitute a part of the Land Development Code.

(b) Chapter 14, Article 5 (Building Regulations), Article 6 (Electrical Regulations), and Article 7 (Plumbing and Mechanical Regulations), Article 8 (Mechanical Regulations), Article 9 (Residential Building Regulations), and Article 10 (Green Building Regulations), shall be known as the Building Regulations, the Electrical Regulations, and the Plumbing and Mechanical Regulations, the Mechanical Regulations, the Residential Building Regulations, and the Green Building Regulations respectively and may be referred to collectively as the Building, Electrical, Plumbing, and Mechanical, Residential Building, and Green Building Regulations.

(e) Chapter 15 of the Municipal Code contains regulations pertaining to Planned Districts as adopted by the City and shall constitute a part of the Land Development Code.
§111.0106  Land Development Manual

(a)  The City may establish and adopt submittal requirements, review procedures, and standards and guidelines for development to supplement to the Land Development Code. These support documents shall be known collectively as the Land Development Manual.

(b)  The Land Development Manual may be amended on a quarterly basis or as needed to comply with revisions to local, state, or federal law. The Land Development Manual may be amended in one of the following ways.

(1)  [No change in text.]

(2)  Major amendments to the Land Development Manual shall be approved in accordance with Process Five by the City Council. Major amendments shall include the creation or elimination of a chapter or chapters, or the significant revision of a chapter or chapters that exceeds the requirements to qualify as a minor amendment as provided in Section 111.0106(b)(1).

(c)  [No change in text.]

§111.0107  Process for Amending the Land Development Code

(a)  Amendments to the Land Development Code shall be processed as follows:

(1)  Amendments to the Land Development Code that involve zoning regulations, as defined in California Government Code
section 65850, shall be decided by the City Council after a hearing held by the Planning Commission to consider whether to recommend approval, conditional approval, or denial.

(A) If the Planning Commission does not make a recommendation within 60 calendar days of the initial Planning Commission hearing, the City Council may take action without a Planning Commission recommendation.

(B) Notice of the Planning Commission and City Council hearings shall be provided in accordance with Sections 112.0305 and 112.0307 as applicable.

(2) Amendments to the Land Development Code that do not involve zoning regulations, as defined in California Government Code section 65850, shall be decided by the City Council.

(b) An application for an amendment to the Land Development Code filed by an applicant shall identify how the proposed amendment accomplishes at least one of the following goals:

(1) Simplifies land development regulations;

(2) Clarifies language or concepts within land development regulations;

(3) Makes the land development regulations more objective;

(4) Makes the code more adaptable to changes in technology or innovative techniques;
(5) Eliminates redundancy and contradictions in the land development regulations;

(6) Maintains a standardized land development regulation framework; or

(7) Increases predictability in the application of land development regulations.

§112.0203 Waiver of Fees or Deposits

(a) [No change in text.]

(b) Processing fees or deposits for Conditional Use Permits and Neighborhood Development Permits are waived for nonprofit institutions or organizations whose primary purpose is the promotion of public health and welfare and who have qualified for federal tax benefits. This waiver does not apply to institutions or organizations in circumstances in which the City is precluded by the California Constitution from making a gift of City funds.

(c)(b) If the City Manager determines that project delays have been caused solely by the actions of City agencies, the City Manager may, under the authority granted by the City Council, waive any portion of the fees or deposits.

§112.0302 Notice by Mail

(a) [No change in text.]
(b) Persons Entitled to Notice. Except as provided in Section 112.0302(c), the Notice of Application, Notice of Future Decision, and Notice of Public Hearing shall be mailed to the following:

(1) through (3) [No change in text.]

(4) The officially recognized community planning group, if any, that represents the area in which the proposed development is located, and officially recognized community planning groups that represent the area within 300 feet of the location of the proposed development; and

(5) through (6) [No change in text.]

(c) through (d) [No change in text.]

§112.0305 Notice for Land Use Plans or Zoning Ordinances

When a land use plan, a zoning ordinance, or a rezoning ordinance is to be considered at a public hearing, the City Manager shall submit a Notice of Public Hearing for publication as set forth in Section 112.0303 to be published at least 10 business days before the date of the public hearing. The Notice of Public Hearing shall include the date, time, and place of the hearing, the identity of the hearing body, a general explanation of the matter to be considered, and a general description of the location of the real property, if any, that is the subject of the hearing. This notice shall be provided in addition to the other notices required by this division.

§112.0307 Notice for Local Coastal Programs and Implementing Ordinances

(a) through (b) [No change in text.]
(c) Notice of availability of a Local Coastal Program amendment shall be provided in accordance with Section 112.0301(d).

§112.0501 Overview of Decision Process

Applications for permits, maps, or other matters shall be acted upon in accordance with one of the five decision processes established in this division and depicted on Diagram 112-05A. The subject matter of the development application determines the process that shall be followed for each application. The provisions of Chapter 12 that pertain to each permit, map, or other matter describe the decision process in more detail. Diagram 112-05A is provided for convenience of reference only and does not define, describe, or limit the scope, meaning, or intent of any provision of the Land Development Code. This diagram describes the City of San Diego’s processes only and does not describe other decision processes that may be required by other agencies, such as the State Coastal Commission.

PROCESS FOUR
§112.0504 Process Two Appeal Hearing

(a) The Planning Commission shall hear appeals of Process Two decisions subject to the following requirements, unless otherwise specified in the Land Development Code.

(1) Persons Who Can Appeal. The following persons may request an appeal hearing after the designated staff person’s decision:

(A) An applicant; or

(B) Any other person who files an application for a Process Two appeal hearing in accordance with Section 112.0504(b)(a)(2).

(b) Request for a Process Two Appeal Hearing. A Process Two decision may be appealed by filing an application for a Process Two appeal hearing with the City Manager no later than 12 business days after the decision date. If an applicant appeals the denial of an Extension of Time for a map waiver or tentative map.
in accordance with Sections 125.0124 and 125.0461, the decision may be appealed no later than 15 calendar days after the decision date in accordance with Subdivision Map Act section 66452.6(e).

(e)(3) Grounds for Appeal. A Process Two decision may be appealed on any of the following grounds:

(1)(A) Factual Error. The statements or evidence relied upon by the decision maker when approving, conditionally approving, or denying a permit, map, or other matter were inaccurate;

(2)(B) New Information. New information is available to the applicant or the interested person that was not available through reasonable efforts or due diligence at the time of the decision;

(3)(C) Findings Not Supported. The decision maker’s stated findings to approve, conditionally approve, or deny the permit, map, or other matter are not supported by the information provided to the decision maker; or

(4)(D) Conflicts. The decision to approve, conditionally approve, or deny the permit is in conflict with a land use plan, a City Council policy, or the Municipal Code.

(4)(4) Scheduling an Appeal Hearing. The City Manager shall assign a date for an appeal hearing before the Planning Commission no later than 10 calendar days after the date on which an application
for the appeal hearing is filed with the City Manager. The appeal hearing shall generally be held within 60 calendar days following the filing of the application for the hearing. The appeal hearing shall be noticed in accordance with Section 112.0308.

**(e)(5)** Power to Act on the Decision at Appeal Hearing. At the conclusion of the appeal hearing, the Planning Commission may affirm, reverse, or modify the staff decision.

**(b)** Exception. Where the Land Development Code specifies that the City Council is the appeal body for a Process Two decision, Sections 112.0504(a)(4) and 112.0504(a)(5) shall not apply. Instead, the scheduling of the appeal hearing and the power to act on the decision at the appeal hearing shall be in accordance with Sections 112.0508(d) and 112.0508(e).

§121.0202 General Enforcement Authority Regarding the Land Development Code

(a) In addition to the enforcement authority provided in Municipal Code Section 12.0102, the City Manager or designated Code Enforcement Official shall have the authority to promulgate policies and regulations reasonably necessary to implement the intent and provisions of the Land Development Code including all provisions of the Building, Electrical, Plumbing, and Mechanical, Residential Building, and Green Building Regulations. The City Manager or designated Code Enforcement Official shall coordinate and develop programs and policies for the consistent and uniform enforcement of the Land Development Code.

(b) [No change in text.]

§121.0308 No Permission to Violate Codes

(a) The issuance or granting of any development permit or construction permit or any plan, specifications, computations, or inspection approval does not constitute a permit for, or an approval of, any violation of any of the provisions of the Land Development Code, including the Building,
Electrical, Plumbing, or Mechanical, Residential Building, or Green Building Regulations, or any other ordinance of the City. Development permits, construction permits, or inspections presuming to give authority to violate or cancel the provisions of the Land Development Code, Building, Electrical, Plumbing, or Mechanical, Residential Building, or Green Building Regulations or other ordinances of the City are not valid.

(b) [No change in text.]

§122.0105 Decision Process for Land Use Plans

(a) Land use plans and land use plan amendments shall be initiated in accordance with the General Plan Land Use Element.

(b) A Once initiated in accordance with Section 122.0105(a), a decision on a land use plan or a land use plan amendment to a land use plan shall be made in accordance with Process Five.

(c) The City Council may make a minor change to a proposed land use plan during the public hearing.

(d) The City Council shall refer any material change to a proposed land use plan to the Planning Commission for its recommendation. The failure of the Planning Commission to provide a recommendation on the material change within 45 calendar days of the date of the conclusion of the Commission hearing shall be deemed a recommendation for approval.

§122.0107 Adoption and Amendment Required Contents of Specific Plans

(a) Specific plans adopted on or after January 1, 2000 shall be prepared pursuant to the California Government Code and shall be processed in
accordance with the land use plan initiation criteria and the decision process described in this division.

(b) [No change in text.]

(c) A specific plan shall be adopted by a resolution of the City Council.

(d) (c) Zoning or rezoning to implement the specific plan shall be adopted by ordinance of the City Council.

§123.0103 Commencement of a Zoning or Rezoning Action

A proposed action to designate a zone on a property or change an existing zone may be commenced in the following manner:

(a) [No change in text.]

(b) By Application. A property owner may commence a zoning or rezoning action by filing an application in accordance with Sections 112.0102 and 123.0104.

§125.0120 When a Map Waiver May Be Requested

A subdivider may request a waiver of tentative map, parcel map, or final map requirements as provided by the Subdivision Map Act, Sections 66428 and 66428.1 for any of the following:

(a) [No change in text.]

(b) Condominium Projects.

(1) The Subdivider subdivider may request a waiver of the requirement to file a tentative map and parcel map or final map for the construction of a new condominium project on a single parcel that was previously mapped and monumented in a manner
satisfactory to the City Engineer in accordance with Subdivision Map Act Section 66428(b); or

(2) The Subdivider may request a waiver of the requirement to file a tentative map and parcel map for:

(A) A condominium conversion project creating four or fewer condominium units;

(B) A new commercial or industrial condominium project on a single parcel;

(C) Conversion of existing development to four or fewer commercial or industrial condominiums; or

Article 5: Subdivision Procedures

Division 10: Easement Abandonments Vacations

§125.1001  Purpose of Easement Vacation Procedures

The purpose of these procedures is to establish the process and criteria to approve the vacation of public service easements and other easements granted to the public or the City of San Diego, and to supplement the provisions of This division establishes an alternative process to vacate public service easements as
provided for by California Streets and Highways Code Sections 8300 through 8363. Section 8311 and to distinguish this alternative decision process from the process that applies by law to vacation of other easements and to the vacation of public service easements with a tentative map in accordance with the Subdivision Map Act.

§125.1010 When an Easement Vacation May Be Initiated Requested

(a) The vacation of a public service easement or other easement may be initiated by resolution of the City Council or by petition or request by any person pursuant to the California Streets and Highway Code.

(b) A public service easement or other easement may also be vacated by filing a tentative map and a parcel map or final map pursuant to the Subdivision Map Act Sections 66434(g), 66445(j), 66499.20 1/4 or 66499.20 1/2, and in accordance with the provisions of this article.

(c) A public service easement or other easement may be summarily vacated if it does not contain public utility facilities or does not contain active public utility facilities that would be affected by the vacation and if any one of the following applies:

(1) The easement has not been used for the purpose for which it was dedicated or acquired for 5 consecutive years immediately preceding the proposed vacation;

(2) The date of dedication or acquisition is less than 5 years and more than 1 year immediately preceding the proposed vacation, and the
An applicant may request the vacation of a public service easement or other easement by application in accordance with one of the following:

(a) Pursuant to local adopted procedures in Section 125.1030(b) as an alternative to the procedures set forth for the vacation of public service easements in the California Streets and Highways Code;

(b) In conjunction with a tentative map application and the procedures for the vacation of public streets and easements on final maps and parcel maps pursuant to Subdivision Map Act Sections 66434(g), 66445(j), 66499.20 1/4 or 66499.20 1/2 and as set forth in Section 125.1030(a); or

(c) A request to vacate any other type of easement as set forth in Section 125.1030(a).

§125.1030 Decision Process for an Easement Vacation

(a) A decision on an application to vacate a public service easement requested in accordance with Section 125.1010(a)(2) or to vacate any other type of easement requested in accordance with Section 125.1010(a)(3) shall be made by the City Council in accordance with Process Five, with the following exceptions to Process Five procedures except that a recommendation by the Planning Commission is not required.
(b) A decision on an application to vacate a public service easement requested in accordance with Section 125.1010(a)(1) shall be made in accordance with Process Two, except that the decision shall be appealable directly to the City Council.

(1) This process is intended to provide an alternative to other procedures provided by law for the vacation of public service easements.

(2) Once a public service easement vacation has been approved in accordance with this section and all appeal rights have been exhausted, the City Engineer shall execute a quitclaim deed conveying the City’s right, title and interest in the unused public service easement to the property owner.

(a) The Notice of Public Hearing required by Section 112.0301(c) shall be distributed 14 calendar days before the date of the public hearing, and shall be published in a newspaper of general daily circulation for at least two successive weeks prior to the hearing in accordance with California Streets and Highways Code Section 8322. The Notice of Public Hearing shall be posted in accordance with California Streets and Highways Code Section 8323. Where the vacation of a public service easement occurs in conjunction with an application for a tentative map, notice in accordance with this section shall not be required.
(b) A summary vacation of a public service easement or other easement pursuant to Section 125.1010(c) does not require a recommendation by the Planning Commission.

§126.0106 Recordation of a Development Permit

(a) [No change in text.]

(b) After the date on which all rights of appeal have expired, the applicant shall sign and return a copy of the approved permit to the City.

(c) The City will forward the permit and the resolution approving the permit to the County Recorder for recordation provided that the applicant has paid all required fees and costs in accordance with Section 112.0202.

(d) Before the City forwards the permit for recordation, the applicant may submit a request in writing to the City Manager that the City obtain a certified copy of the permit from the County Recorder. The applicant shall pay the fees to obtain the certified copy.

§126.0110 Cancellation of a Development Permit

(a) An owner or permittee may request cancellation of a development permit at any time before initial utilization of the permit. The owner or permittee shall submit the request for cancellation in writing to the City Manager. The development permit shall not be canceled less than 120 calendar days after the request is received by the City Manager. The City shall forward a written declaration of the cancellation to the County Recorder for
recordation in accordance with Section 126.0106. The development permit shall be void on the date that the declaration of cancellation is recorded with the County Recorder. The City shall mail a copy of the declaration of cancellation to the owner and permittee.

(b) [No change in text.]

§126.0111 Extension of Time of a Development Permit

(a) through (c) [No change in text.]

(d) Decision Process. A decision on an application for an extension of time of a development permit shall be made in accordance with the same process required for a new application for the same development permit. Two, except that it shall be appealable in accordance with Section 126.0111(i).

(e) through (h) [No change in text.]

(i) Appeals. The City Council shall hear appeals of decisions on Extensions of Time for development permits.

§126.0203 When a Neighborhood Use Permit Is Required

(a) An application for the following uses in certain zones may require a Neighborhood Use Permit. To determine whether a Neighborhood Use Permit is required in a particular zone, refer to the applicable Use Regulation Table in Chapter 13.

§126.0303 **When a Conditional Use Permit Is Required**

An application for the following types of uses in certain zones may require a Conditional Use Permit. To determine whether a Conditional Use Permit is required in a particular zone, refer to the applicable Use Regulation Table in Chapter 13. The decision process is described in Section 126.0304.

(a) Conditional Use Permits Decided by Process Three

Agricultural equipment repair shops through Child Care Centers [No change in text.]

*Churches and places of religious assembly*

Commercial stables through *Wireless communication facilities* (under circumstances described in Section 141.0420) [No change in text.]

(b) through (c) [No change in text.]

§126.0402 **When a Neighborhood Development Permit Is Required**

(a) through (l) [No change in text.]

(m) A Neighborhood Development Permit is required for *development of a wireless communication facility* with an equipment enclosure that exceeds 250 square feet as described in Section 141.0420(g)(3), or that contains equipment enclosures not placed underground as described in Section 141.0420(j)(2).
(n) A Neighborhood Development Permit is required for development proposing to count tandem parking spaces as two parking spaces towards the off-street parking requirement as described in Section 132.0905(a)(5).

(o) A Neighborhood Development Permit is required for development of a college, university, vocational, or trade school on a premises identified as Prime Industrial Land in a land use plan as described in Section 141.0407(e)(2).

§126.0504 Findings for Site Development Permit Approval

A Site Development Permit may be approved or conditionally approved only if the decision maker makes all of the findings in Section 126.0504(a) and the supplemental findings in Section 126.0504(b) through (o) that are applicable to the proposed development as specified in this section.

(a) through (h) [No change in text.]

(i) Supplemental Findings--Historical Resources Deviation for in Substantial Alteration of a Designated Historical Resource or Within a Historical District

A Site Development Permit required in accordance with Section 143.0210 because of potential impacts to designated historical resources where a deviation is requested in accordance with Section 143.0260 for substantial alteration of a designated historical resource or within a historical district or new construction of a structure located within a historical district may be approved or conditionally approved only if the decision maker makes
the following supplemental findings in addition to the findings in Section 126.0504(a):

(1) through (3) [No change in text.]

(j) through (o) [No change in text.]

§127.0102 General Rules for Previously Conforming Premises and Uses

The following general rules apply to all previously conforming premises and uses:

(a) through (j) [No change in text.]

(k) Where previously conforming development provides a setback less than the current requirement, new development on the premises may be located in compliance with the previously conforming setback for up to 50 percent of the length of the building envelope on a floor-by-floor basis.

§129.0104 Construction Permit Authorities

(a) through (b) [No change in text.]

(c) The powers and duties of the Development Services Director or a designee with respect to construction permits are as follows:

(1) To administer and enforce the applicable provisions of the Land Development Code and Municipal Code;

(2) To review applications for construction permits including plans, specifications, and other data to determine if an application is in compliance with the Municipal Code and adopted City zoning standards:
(3) To interpret the applicable provisions of the Land Development Code in conformance with the purpose and intent of the Land Development Code:

(4) To adopt policies reasonably necessary to clarify the application of development regulations in conformity with the purpose and intent of the Land Development Code; and

(5) To grant minor modifications for a single dwelling unit development when there are practical difficulties involved in carrying out the applicable development regulations of the Land Development Code, and the requested minor modification is the minimum modification necessary to address the practical difficulty. The details of any action granting a minor modification shall be documented in writing in the project file. To grant a minor modification, the Development Services Director must determine:

(A) That strict application of the Land Development Code is impractical;

(B) That the minor modification is in conformance with the purpose and intent of the Municipal Code and adopted land use plans, and where applicable, is adequate to carry out the provisions of the certified land use plan for coastal development;

(C) That the minor modification does not lessen any fire protection or public safety requirements; and
(D) That the minor modification does not involve a substantial improvement.

§129.0120 Lot Tie Agreements

(a) If a lot consists of two or more parcels held by the same record owner as set forth in Section 113.0237(a)(6), construction permits shall not be issued unless and until a Lot Tie Agreement is entered into to the satisfaction of the Building Official and City Engineer. The Lot Tie Agreement shall be recorded against the applicable properties in the Office of the San Diego County Recorder. The Lot Tie Agreement shall require the record owner to hold the applicable parcels as one and to maintain common ownership and control. The Lot Tie Agreement shall be binding upon, and the benefits of the Lot Tie Agreement shall inure to the parties and all successors in interest to the parties to the Lot Tie Agreement.

(b) Cancellation of a recorded Lot Tie Agreement shall be reviewed and approved by the Building Official and City Engineer in accordance with Process One if the need to hold the property as one parcel no longer exists. If approved, the City shall forward a written declaration of the cancellation of the Lot Tie Agreement to the County Recorder.

§129.0202 When a Building Permit Is Required

(a) No structure regulated by the Land Development Code shall be erected, constructed, enlarged, altered, repaired, improved, converted, permanently relocated or partially demolished unless a separate Building Permit for
each structure has first been obtained from the Building Official, except as exempted in Sections 129.0202(b) and 129.0203.

(b) through (c) [No change in text.]

§129.0203 Exemptions from a Building Permit

(a) A Building Permit is not required for the following structures and activities.

(1) through (24) [No change in text.]

(25) A sidewalk cafe that is in compliance with Section 141.0621, unless any one of the following applies:

(A) The sidewalk cafe would alter or modify the existing building, building façade, or any means of building egress;

(B) The sidewalk cafe would be located on a raised platform or in a sunken area; or

(C) A barrier consisting of railings, fences, or planter boxes would be installed to delineate the area of the sidewalk cafe.

(b) through (e) [No change in text.]

§129.0702 When a Public Right-of-Way Permit Is Required

(a) A Public Right-of-Way Permit is required for the following unless otherwise exempt under Section 129.0703:

(1) [No change in text.]
(2) The construction of privately owned structures or facilities, or improvements in the public right-of-way; public right-of-way or in a public service easement;

(3) through (4) [No change in text.]

(b) The City Manager or Engineer may:

(1) Require a building permit for private structures encroaching in the public right-of-way in addition to, or in place of, a Public Right-of-Way Permit; or

(2) waive the requirement for a Public Right-of-Way Permit as provided in the Land Development Manual.

§129.0710 How to Apply for a Public Right-of-Way Permit

An application for a Public Right-of-Way Permit shall be submitted in accordance with Sections 112.0102 and 129.0105. The submittal requirements for Public Right-of-Way Permits are listed in the Land Development Manual. A development permit or other discretionary approval is required prior to issuance of a Public Right-of-Way Permit for the following:

(a) If the proposed encroachment involves construction of a privately owned structure or facility into the public right-of-way dedicated for a street or an alley, and where the applicant is the record owner of the underlying fee title, a Neighborhood Development Permit is required in accordance with Section 126.0402-(j) except for the following:

(1) through (7) [No change in text.]

(8) Encroachments for temporary shoring and tie-backs.
(b) If the proposed encroachment is erected, placed, constructed, established or maintained in the public right-of-way when the applicant is not the record owner of the property on which the encroachment will be located, a Site Development Permit is required in accordance with Section 126.0502(d)(7), except for the following:

(1) Encroachments listed in Section 129.0710(a)(4) through (7)(8).

(2) through (3) [No change in text.]

(4) Encroachments where the applicant has written permission from the record owner of the underlying fee title in a form to the satisfaction of the City Manager shall be processed in accordance with Section 129.0710(a).

(c) [No change in text.]

§129.0715 Encroachment Maintenance and Removal Agreement

(a) An Encroachment Maintenance and Removal Agreement is required for any privately owned facilities or structures in the public right-of-way or in a public service easement constructed and maintained by the property owner subject to the following:

(1) through (3) [No change in text.]

(4) For structures encroaching over or under the public right-of-way, the property owner agrees to provide an alternate public right-of-way or to relocate any existing or proposed City facility to a new alignment, all without cost or expense to the City, whenever it is determined by the City Engineer that any existing or proposed City
facility cannot be economically placed, replaced, or maintained due to the presence of the encroaching structure.

(5) Whatever rights and obligations were acquired by the City with respect to the public rights-of-way or public service easement shall remain and continue in full force and effect and shall in no way be affected by the City’s grant of permission to construct and maintain the encroaching structure.

(6) through (10) [No change in text.]

(11) The property owner shall pay the City or public utility for all costs of relocating, replacing, or protecting a facility within the public right-of-way or public service easement when such relocation, replacement, or protection results from the construction of the encroachment.

(12) [No change in text.]

§129.0720 Qualifications to Prepare Plans and Perform Construction Work in the Public Right-of-Way or Public Service Easement

[No change in text.]

§129.0742 Commencement of Work within a Public Right-of-Way or Public Service Easement

(a) The applicant shall not begin any work, construction, or use within the a public right-of-way or public service easement that will be authorized by a Public Right-of-Way Permit until the required permit has been issued.

(b) [No change in text.]
§131.0220 Use Regulations of Open Space Zones

The regulations of Section 131.0222 apply in the open space zones unless otherwise specifically provided by footnotes where indicated in Table 131-02B.

(a) The uses permitted in any open space zone may be further limited by the following:

(1) if the premises is located within Use limitations applicable to the Airport Land Use Compatibility Overlay Zone (Chapter 13, Article 2, Division 15); or

(2) if The presence of environmentally sensitive lands are present, pursuant to Chapter 14, Article 3, Division 1 (Environmentally Sensitive Lands Regulations); or

(3) Any other applicable provision of the San Diego Municipal Code.

(b) Within the open space zones no structure or improvement, or portion thereof, shall be constructed, established, or altered nor shall any premises be used or maintained except for one or more of the purposes or activities listed in Table 131-02B. It is unlawful to establish, maintain, or use any premises for any purpose or activity inconsistent with this section or Section 131.0222.

(c) All uses or activities permitted in the open space zones shall be conducted entirely within an enclosed building unless the use or activity is traditionally conducted outdoors.

(d) Accessory uses in the open space zones may be permitted in accordance with Section 131.0125.
Temporary uses may be permitted in the open space zones for a limited period of time with a Temporary Use Permit in accordance with Chapter 12, Article 3, Division 4 (Temporary Use Permit Procedures).

For any use that cannot be readily classified, the City Manager shall determine the appropriate use category and use subcategory pursuant to Section 131.0110.

§131.0520 Use Regulations of Commercial Zones

The regulations of Section 131.0522 apply in the commercial zones unless otherwise specifically provided by footnotes where indicated in Table 131-05B.

(a) The uses permitted in any commercial zone may be further limited by the following:

(1) Section 131.0540 (Maximum permitted residential density and other residential regulations);

(2) if the premises is located within Use limitations applicable to the Airport Land Use Compatibility Overlay Zone (Chapter 13, Article 2, Division 15);

(3) if the presence of environmentally sensitive lands are present, pursuant to Chapter 14, Article 3, Division 1 (Environmentally Sensitive Lands Regulations).
(4) Any other applicable provision of the San Diego Municipal Code.

(a)(b) Within the commercial zones, no structure or improvement, or portion thereof, shall be constructed, established, or altered, nor shall any premises be used or maintained except for one or more of the purposes or activities listed in Table 131-05B. It is unlawful to establish, maintain, or use any premises for any purpose or activity not listed in this section or Section 131.0522.

(b)(c) All uses or activities permitted in the commercial zones shall be conducted entirely within an enclosed building unless the use or activity is traditionally conducted outdoors.

(c)(d) Accessory uses in the commercial zones may be permitted in accordance with Section 131.0125.

(e)(f) Temporary uses may be permitted in the commercial zones for a limited period of time with a Temporary Use Permit in accordance with Chapter 12, Article 3, Division 4.

(f)(e) For any use that cannot be readily classified, the City Manager shall determine the appropriate use category and use subcategory pursuant to Section 131.0110.

§131.0540 Maximum Permitted Residential Density and Other Residential Regulations

The following regulations apply to all residential development within commercial zones where indicated in Table 131-04B:

(a) through (f) [No change in text.]

§131.0543 Setback Requirements for Commercial Zones

Setback requirements are specified in Tables 131-05C, 131-05D, and 131-05E and are subject to the following exceptions and additional regulations:

(a) [No change in text.]

(b) Minimum Side and Rear Setback

(1) In zones that require a 10-foot minimum side or rear setback and provide the option for no side or rear setbacks as shown in Tables 131-05C, 131-05D, and 131-05E, the structure shall either be placed at the property line or shall be set back at least 10 feet.

(2) The optional side or rear setback is not applicable to commercial development abutting low density residentially zoned properties as further described in Section 131.0543(c).

(c) Commercial Development Abutting Residentially Zoned Properties

(1) Commercial development abutting low density residentially zoned properties with a permitted density of less than 15 dwelling units per acre shall provide a 10-foot minimum setback for any side or
rear yard that abuts low density residential zoned property. The structure shall comply with additional step back requirements in accordance with Section 131.0543(c)(3).

(2) Commercial development abutting medium to high density residentially zoned properties with a permitted density of 15 dwelling units or more per acre that provide no side or rear setback and locate the structure at the property line as provided for by Section 131.0543(b) shall comply with the following:

(A) The minimum side setback for structures placed at the side property line is as follows.

(i) Any portion of the structure exceeding 15 feet in height shall be stepped back from the side property line 10 feet, or 10 percent of the lot width but not less than 5 feet, whichever is less.

(ii) Each 15 feet in height above 30 feet shall be stepped back at least 3 feet from the minimum setback of that portion of the structure immediately below.

(2)(B) Minimum rear setback for structures placed at the rear property line is as follows.

(i) Any portion of the structure exceeding 15 feet in height shall be stepped back from the rear property
line 10 feet, or 10 percent of the lot depth but not less than 5 feet, whichever is less.

(ii) Each 15 feet in height above 30 feet shall be stepped back at least 3 feet from the minimum setback of that portion of the structure immediately below.

§132.0801 Purpose of the Parking Impact Overlay Zone

The purpose of the Parking Impact Overlay Zone is to provide supplemental parking regulations for specified coastal, beach, and campus areas that have parking impacts. The intent of this overlay zone is to identify areas of high parking demand and increase the off-street parking requirements accordingly.

§132.0802 Where the Parking Impact Overlay Zone Applies

(a) This overlay zone applies to property located within the beach impact area, and the campus impact area, and the coastal impact area as shown on Map Nos. C-731 and C-795, filed in the office of the City Clerk. These areas are shown generally on Diagram 132-08A.

§141.0306 Guest Quarters or Habitable Accessory Buildings

Guest quarters or habitable accessory buildings are attached or detached accessory living quarters developed of habitable construction, and located on a lot with a single dwelling unit that do not provide complete, independent living facilities and do not have direct access to the primary dwelling unit. Guest
quarters or habitable accessory buildings are solely for the use of the occupants of the primary dwelling unit or their guests or employees.

Guest quarters or habitable accessory buildings may be permitted accessory to a single dwelling unit as a limited use in accordance with Process One in the zones indicated with an “L” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to the following regulations.

(a) through (f) [No change in text.]

(g) For detached guest quarters or habitable accessory buildings, the maximum structure height is 15 feet without a chimney or flue, or 17 feet with a chimney or flue.

(h) Decks and staircases of not more than 3 feet in height may encroach into required yards.

(i) Roof decks, including railings, shall not exceed the height limits in Section 141.0306(f) and (g).

(j) Occupancy of a premises containing guest quarters or habitable accessory buildings shall be subject to the following:

(1) through (3) [No change in text.]

§141.0404  Churches and Places of Religious Assembly

Churches and places of religious assembly are permitted as a limited use in the zones indicated with an “L” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to Section 141.0404(a). Churches and places of religious assembly that do not comply with Section 141.0404(a) may be permitted with a Conditional Use Permit decided in accordance with Process Three subject to Section 141.0404(b). Churches and places of religious assembly may also be
permitted with a Conditional Use Permit decided in accordance with Process Three in the zones indicated with a “C” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to Section 141.0404(b).

(a) Limited Use Regulations

(1) Churches and places of religious assembly are not permitted:

(A) within the MHPA;

(B) within floodplains located in the Coastal Overlay Zone; or

(C) on a premises that is identified as Prime Industrial Land in a land use plan.

(2) Churches and places of religious assembly are permitted as a limited use in existing buildings only.

(3) The gross floor area of the church or place of religious assembly shall not exceed 50 percent of the maximum gross floor area permitted for the premises.

(4) The church or place of religious assembly shall not be the only use on the premises.

(b) Conditional Use Permit Regulations

(1) Churches and places of religious assembly are not permitted:

(A) within the MHPA;

(B) within floodplains located in the Coastal Overlay Zone; or

(C) on a premises that is identified as Prime Industrial Land in a land use plan.
(2) The design of the structures shall incorporate a variety of architectural elements that help to diminish building bulk.

(3) Structures shall be placed on the site so that larger or high activity buildings are placed away from adjacent property with smaller structures and lower levels of activity.

(4) Off-street parking shall be located away from adjacent residential property.

(5) Conditions addressing the following issues may be imposed by the decision maker:

(A) Limitations on the intensity of additional uses, such as schools and child care facilities, as well as the facilities housing these activities, to a level that is commensurate with the size of the site, the levels of intensity of surrounding development, and the capacity of streets serving the facility; and

(B) Limitations on the number of on-premises fund-raising or social activities to a specific number of occurrences each year.

§141.0407 Educational Facilities--Schools for Kindergarten to Grade 12, and Colleges/Universities, and Vocational/Trade Schools

Educational facilities are facilities that are designed or used to provide specialized training or education. This section distinguishes between kindergarten to grade 12 schools, colleges and universities, and vocational schools and trade schools.

Educational facilities are permitted by right in zones indicated with a “P”, as a
limited use in the zones indicated with an “L”, and may be permitted with a Conditional Use Permit decided in accordance with Process Three in the zones indicated with a “C” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to the following regulations.

(a) Educational facilities are not permitted on a premises that is identified as Prime Industrial Land in a land use plan. Permanent development associated with educational facilities is not permitted in agricultural zones in Proposition A Lands or within floodplains located in the Coastal Overlay Zone.

(b) Schools for Kindergarten to Grade 12

(1) This use category applies to schools that provide instruction to children enrolled in any grade kindergarten to grade 12.

(2) Schools for kindergarten to grade 12 are not permitted on a premises that is identified as Prime Industrial Land in a land use plan.

(3) Conditional use regulations. Schools for kindergarten to grade 12 are permitted as conditional uses in zones indicated by a “C” subject to the following:

(A) The applicant shall provide a master development plan that includes the following:

(1)(i) The student capacity of the campus;

(2)(ii) The size, number, and location of all proposed facilities;
The pedestrian and traffic circulation systems proposed for the site;

A transportation and parking development program;

and

A development phasing schedule.

The design of the structures shall incorporate architectural elements that help to diminish building bulk.

Larger structures, areas with high levels of activity, and parking areas shall be located on the site away from surrounding development that is smaller in scale or less intense.

Off-street parking shall be provided in accordance with Table 142-05G.

(1) Colleges and universities are facilities that provide post secondary education or higher in a campus setting where the campus typically has at least one of the following accessory activities or facilities: intercollegiate athletics, fraternities and sororities, student clubs, student unions, student dormitories, a campus library, or other campus facilities to accommodate a large assembly of people.

(2) Conditional use regulations. Colleges and universities are permitted as conditional uses in zones indicated by a “C” subject to the following:
(A) Colleges and universities are not permitted on a premises that is identified as Prime Industrial Land in a land use plan, except as otherwise allowed in accordance with Section 141.0407(e).

(B) Colleges and universities are subject to the conditional use criteria applicable to schools for kindergarten to grade 12 in Section 141.0407(b)(3).

(C) Access to colleges and universities shall be as direct as possible from freeways and primary arterials and shall avoid residential streets.

(D) Colleges and universities that provide education in a traditional office building without any extracurricular facilities of a traditional post secondary educational facility are permitted by right where business and professional offices are permitted uses in zones indicated with a “P”. However, this type of educational facility is not permitted on a premises that is identified as Prime Industrial Land in a land use plan, except as otherwise allowed in accordance with Section 141.0407(e).

(e) Access to colleges and universities shall be as direct as possible from freeways and primary arterials and shall avoid residential streets.

(f) Off-street parking requirements for kindergarten through grade 12 are provided in Table 142-05G. Off-street parking for colleges and
universities shall be provided to adequately serve the facility without causing parking impacts to surrounding property.

(d) Vocational and Trade Schools

(1) Vocational schools are facilities that offer instruction and practical introductory experience in skilled trades such as mechanics, carpentry, plumbing, or construction with training that emphasizes the skills and knowledge needed for a particular job. Trade schools are facilities organized by an industry or a large corporation to provide training, apprentice education, and similar courses.

(2) Limited use regulations. Vocational schools and trade schools are permitted as limited uses in zones indicated by an “L” subject to the following:

(A) Vocational schools and trade schools are not permitted on a premises that is identified as Prime Industrial Land in a land use plan, except as otherwise allowed in accordance with Section 141.0407(e).

(B) Off-street parking shall be provided in accordance with Table 142-05G.

(e) Educational Facilities on Prime Industrial Land

(1) Schools for kindergarten to grade 12 are not permitted on a premises identified as Prime Industrial Land in a land use plan.
Educational facilities that are limited to the instruction of adults may be permitted on a premises identified as Prime Industrial Land in a land use plan if:

(A) The primary emphasis of the educational facility is instruction in subjects incidental to manufacturing and industrial uses; or

(B) A Process Two Neighborhood Development Permit is granted in accordance with Section 126.0402 for a proposed educational facility that would be located in an existing office building that is not suitable for manufacturing or research and development due to the lack of loading docks/roll up doors and insufficient height clearance on the first floor (floor to ceiling height less than 14 feet).

§141.0420 Wireless Communication Facilities

Wireless communication facilities are permitted as a limited use in accordance with Process One in the zones indicated with an “L” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones), subject to the regulations in Section 141.0420. Wireless communication facilities that do not comply with Section 141.0420(c)(1) or are in the zones indicated with an “N” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) may also be permitted with a Neighborhood Use Permit, subject to the regulations in Section 141.0420(d). Wireless communication facilities may also be permitted with a Conditional Use
Permit decided in accordance with Process Three, in the zones indicated with a “C” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones), except that wireless communication facilities in areas described in Section 141.0420(f) may be permitted with a Conditional Use Permit decided in accordance with Process Four, in the zones indicated with a “C” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones), subject to the following regulations:

(a) The following uses are exempt from the provisions of Section 140.0420:

   (1) through (2) [No change in text.]

(b) through (f) [No change in text.]

(g) Design Requirements

The following regulations apply to all wireless communication facilities:

   (1) through (3) [No change in text.]

   (3) The wireless communication facility’s equipment shall be located within an existing building envelope, whenever possible. If a new equipment enclosure is necessary, it shall be of a height minimally necessary to accommodate the equipment, not to exceed 250 square feet, unless a Process Two Neighborhood Development Permit is granted in accordance with Section 126.0402.

   (4) through (9) [No change in text.]

(h) [No change in text.]

(i) Park Site Installations
(4) In addition to the design guidelines set forth in Section 141.0420(g), the following design requirements apply to wireless communication facilities in city parks.

(A)(1) Where practicable, antennas shall be mounted on sports field light poles, security light poles, or inside foul line poles or flagpoles. Antennas shall not be mounted above the light source on any light poles. All antennas on flagpoles or foul line poles shall be concealed within the pole.

(B)(2) If the proposed wireless communication facility would be located on city-owned property that has been formally dedicated in perpetuity by ordinance for park, recreation, or cemetery purposes, equipment enclosures shall be placed underground unless the Park and Recreation Director determines that an above-ground equipment enclosure would not violate Charter Section 55 and a Process Two Neighborhood Development Permit is granted in accordance with Section 126.0402.

(C) No above ground equipment enclosures for a wireless communication facility shall be placed on city owned property dedicated in perpetuity by ordinance for park or recreation purposes, except where the wireless communication facility use would not violate City of San Diego Charter section 55.
§141.0502  Alcoholic Beverage Outlets

Any establishment for which a Type 20 Beer and Wine License or a Type 21 General Liquor License has been obtained from, or for which an application has been submitted to, the California Department of Beverage Control for permission to sell alcoholic beverages for off-site consumption shall be regulated as an alcoholic beverage outlet subject to this section.

Alcoholic beverage outlets are permitted as a limited use in the zones indicated with an “L” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to the regulations in Section 141.0502(b). Proposals for alcoholic beverage outlets that do not comply with the regulations in Section 141.0502(b) may be permitted with a Conditional Use Permit decided in accordance with Process Three subject to the regulations in Section 141.0502(c).

(a)  [No change in text.]

(b)  Limited Use Regulations. Alcoholic beverage outlets are permitted as a limited use subject to the following regulations.

(1)  Alcoholic beverage outlets are not permitted in any of the following locations:

(A) through (C) [No change in text.]

(D)  Within 600 feet of a public or private accredited school, a public park, a playground or recreational area, a church except those established in accordance with Section 141.0404(a), a hospital, or a San Diego County welfare district office; and
§141.0601 Adult Entertainment Businesses

(a) [No change in text.]

(b) Adult entertainment businesses are permitted as a limited use in the zones indicated with an “L” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to the following regulations.

(1) Adult entertainment businesses shall not be established, or enlarged, or undergo a transfer of ownership or control if the structure housing the business would be located within 1,000 feet of any of the following:

(A) through (B) [No change in text.]

(C) The property line of a church except those established in accordance with Section 141.0404(a), a school, a public park, or a social service institution.

(2) If a church other than one established in accordance with Section 141.0404(a), a school, a public park, a social service institution, or a residential zone is established within 1,000 feet of an adult entertainment business, the person possessing ownership or control of the adult entertainment business is permitted to transfer ownership or control within 2 years of the date on which the school begins a course of instruction for students, the church or social service institution is opened for use, the public park is dedicated,
or the ordinance establishing the residential zone becomes effective. The person acquiring the ownership or control, however, shall be required to discontinue the adult entertainment business within 5 years from the date of the transfer of ownership or control if the business continues to be within 1,000 feet of the uses or properties listed in Section 141.0601(b)(1).

(3) The public health, safety, and welfare shall be preserved and protected by applying the provisions of this section in the following descending order of importance:

(A) through (F) [No change in text.]

§141.0604 Boarding Kennels/Pet Day Care Facilities

Boarding kennels and pet day care facilities for the boarding, training and care of household pets are permitted as a limited use in the zones indicated with an “L” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to Section 141.0604(a) and (b). Boarding kennels and pet day care facilities may be permitted with a Neighborhood Use Permit decided in accordance with Process Two in the zones indicated with an “N” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to Section 141.0604 (a) and (c).

(a) [No change in text.]

(b) Limited Use Regulations

(1) through (4) [No change in text.]

(5) Deviations from Section 146.0604(b) may be permitted with a Neighborhood Use Permit decided in accordance
with Process Two, with the exception of outdoor facilities in CN
zones which are not permitted.

(c) [No change in text.]

§141.0606 Child Care Facilities

(a) through (b) [No change in text.]

(c) Child Care Centers

Child care centers are permitted as a limited use in the zones indicated
with an “L” and may be permitted with a Conditional Use Permit decided
in accordance with Process Three in the zones indicated with a “C” in the
Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to
the following regulations.

(1) through (8) [No change in text.]

(d)(9) Child care centers proposed to be located on public or private

school sites are permitted as follows:

(4)(A) Child care centers proposed as an accessory use on the
premises of a school are exempt from the provisions of this
section. The child care center may be either school-
operated or privately operated.

(2)(B) Child care centers proposed for location on private school
premises in a zone where schools are a permitted use, are
permitted as a limited use subject to the regulations of
Section 141.0606(c).
(3)(C) Child care centers proposed for location on private school premises in a zone where schools are required to obtain a Conditional Use Permit shall also be required to obtain a Conditional Use Permit subject to the regulations in Section 141.0606(c).

(10) Within the Coastal Overlay Zone, a child care center shall be permitted only on previously-developed sites that are not developed with open space or agricultural uses as identified in Section 131.0112.

§141.0619 Pushcarts

This section regulates pushcarts on private property and pushcarts in the public right-of-way. Pushcarts are moveable, wheeled, nonmotorized vehicles used by vendors for the sale of food or beverage products, fresh-cut flowers, or live plants in pots.

(a) [No change in text.]

(b) Pushcarts in the Public Right-of-Way

Pushcarts may be permitted in the public right-of-way with a Neighborhood Use Permit in the zones indicated with an “N” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to the following regulations.

(1) through (3) [No change in text.]

(4) The applicant shall obtain and submit with the permit application a notarized authorization from the owner or proprietor of
the adjacent street level business for the applicant to install and operate the pushcart.

(5) through (18) [No change in text.]

§141.0620 Recycling Facilities

(a) through (c) [No change in text.]

(d) Small Collection Facilities

Small collection facilities are permitted as a limited use in the zones indicated with an “L” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to the following regulations.

(1) through (5) [No change in text.]

(6) Facilities that are not within a fully enclosed building shall be set back at least 10 feet from any building or and from any public right-of-way and shall not obstruct pedestrian or vehicular circulation.

(7) through (20) [No change in text.]

(e) through (i) [No change in text.]

§141.0621 Sidewalk Cafes

Sidewalk cafes are outdoor dining spaces located in the public right-of-way that are associated with adjacent eating and drinking establishments. Sidewalk cafes are permitted as a limited use in the zones indicated with an “L” may be permitted with a Neighborhood Use Permit in the zones indicated with an “N” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to the provisions of this section the following regulations. It is not the intent of this section to
regulate outdoor eating and drinking establishment areas that are located on private property.

(a) The decision maker will evaluate the following to determine if a sidewalk cafe is a suitable use for the proposed site and will not infringe on the use of the public right-of-way by pedestrians:

1. The width of the sidewalk;
2. The design and relationship of the cafe to other existing or planned uses in the vicinity;
3. The amount of pedestrian use and the impact of the cafe’s location on pedestrian activity; and
4. The ability of the cafe to fit the character of the area, create an outdoor pedestrian plaza, intensify pedestrian activity, and make the street activity more attractive.

(b)(a) Limited Use Regulations

1. Design requirements

(A) A sidewalk cafe may shall be located within the public right-of-way only in conjunction with, and adjacent to, a street-level eating and drinking establishment.

(c) A sidewalk cafe shall be used only for dining, drinking, and circulation. The cafe may provide either waiter/waitress service or self-service.

(B) A sidewalk cafe that provides a maximum of one row of tables and chairs within 4 feet 6 inches of the building facade, placed in a manner that does not block ingress or egress from the associated eating and drinking
establishment, shall not be required to install a barrier in accordance with Section 141.0621(a)(1)(C).

(d) (C) If not designed in compliance with Section 141.0621(a)(1)(B), the area of the sidewalk cafe shall be delineated by a barrier consisting of railings, fences, or a combination of railings and fences, and planter boxes that are 3 feet in height or less; solid walls are not permitted.

(i) The barrier may be either permanently installed or moveable; if it is moveable, it shall be affixed to the sidewalk while the sidewalk cafe is open for business.

(ii) A clear, transparent, shatterproof glass or similar material may be used on top of the 3-foot barrier to enclose the sidewalk cafe to minimize windy or cold climatic conditions. The enclosure must meet the following requirements:

(1) The height of the sidewalk cafe barrier plus the clear enclosure shall not exceed 5 feet.

(iii) If an enclosure is used, awnings or umbrellas may be used in conjunction with a sidewalk cafe, but shall not be used as a cafe.
covering permanent roof or shelter over the sidewalk cafe area.

(D) Clear Path of Travel

(e)(i) A clear path, free of all obstructions to the flow of pedestrian traffic, shall be provided in the public right-of-way and shall be maintained at all times. Obstructions include traffic signals or signs, light standards, parking meters, phone booths, bus stops, trash receptacles, benches, trees, gates that open outward beyond the perimeter of the sidewalk cafe, and similar objects.

(ii) The clear path shall be a paved sidewalk that is at least 8 5 feet wide, the width identified in the applicable adopted land use plan, or the width required by the applicable zone or planned district, whichever width is greater.

(iii) The clear path may meander from side to side to avoid obstructions, but shall maintain a continuous, common surface at least 3 feet in width that provides a direct path of travel past the sidewalk cafe.

(iv) The clear path shall be measured in the following manner:

(1) The clear path shall be measured from
the outermost point of the sidewalk cafe to the curb or to the nearest obstruction within the flow of pedestrian traffic, whichever is shorter.

(2)(v) Recesses in the building facade shall not be used to satisfy the clear path requirement; and.

(3) The decision maker may grant an exception to the minimum clear path width if pedestrian volumes and existing street conditions are such that no congestion would result.

(f)(v) Accessibility. The sidewalk cafe shall be designed and operated so that unsafe conditions are not created for the physically disabled, blind, or partially sighted. Gates or other objects placed within a sidewalk cafe shall not swing or project beyond the delineated perimeter of the cafe. Cantilevered projections are not permitted. A change in paving pattern and texture may be required to alert pedestrians of a change in sidewalk use.

(i) The surface of a sidewalk cafe shall be level, and have a running slope and a cross slope that do not exceed 2 percent (1 unit vertical in 50 units horizontal).

(ii) A sidewalk cafe shall not be located on a raised platform or in a sunken area, unless an accessible
ramp is provided in accordance with the California Building Code, or the Americans with Disabilities Act, whichever provides greater accessibility.

(iii) At least one wheelchair seating space shall be provided for each 20 seats, or portion thereof.

(iv) When multiple accessible seating spaces are provided, they shall be reasonably distributed and integrated within the area of the sidewalk cafe.

(v) Accessible wheelchair spaces shall have a minimum unobstructed maneuverability dimension of 30 inches in width by 48 inches in depth.

(vi) Access to designated wheelchair spaces shall be provided via an accessible path with not less than 36 inches unobstructed width.

(F) An unobstructed path of ingress and egress travel with a minimum 4-foot width that leads occupants directly from exit doors to the public right-of-way shall be required for a sidewalk cafe and associated eating and drinking establishment.

(G) No portion of a sidewalk cafe may be located within 8 feet of the entrance to a ground floor commercial use other than the entrance to the adjacent restaurant unless the property owners and first floor tenants of the affected commercial
lease spaces provide a notarized letter of permission. An exception to the minimum distance between sidewalk cafes and adjacent business entrances may be granted by the decision maker after a review of existing conditions in the surrounding commercial area and on the street adjacent to the sidewalk cafe if the affected, adjacent property owners and first floor tenants give notarized, written permission for the encroachment. The decision maker’s review will take into consideration the effect that the exception may have on adjoining businesses in terms of visibility and access.

(h)(I) If awnings are attached shall be secured to the main building, they shall be secured in accordance with the California Building Code and shall be subject to inspection by the Building Official prior to occupancy of a sidewalk cafe.

(i)(I) The furnishings of the interior of a sidewalk cafe shall consist solely of moveable furnishings, including moveable tables, moveable chairs, and moveable umbrellas.

(J) Landscaping may be placed in moveable planters or planted in the ground inside the delineated sidewalk cafe area adjacent to the barrier.
(K) Lighting fixtures may be permanently affixed to the front of the main building associated eating and drinking establishment.

(L) The name and type of establishment may be placed on umbrellas or on the valance of an awning. Other signs are not permitted on the sidewalk cafe.

(k) Trash or storage areas shall not be located on or adjacent to the public right-of-way.

(l) Musical instruments or sound reproduction devices shall not be operated or used within a sidewalk cafe. For purposes of enforcement of Municipal Code Section 59.5.0101 et. seq., the property line shall be considered the boundary of the sidewalk cafe.

(m) Sidewalk cafes shall be free of litter at all times.

(n) The hours of operation of a sidewalk cafe shall be limited to the hours of operation of the associated eating or drinking establishment.

(o) Within the beach impact area of the Parking Impact Overlay Zone, sidewalk cafes shall not exceed 200 sq ft in area without providing parking. Required parking shall be provided at a ratio not less than one parking space for every additional 200 sq ft (or portion thereof) above the first 200.
Parking for a sidewalk cafe portion of an eating and drinking establishment shall only be required if:

(i) The area of a sidewalk cafe is greater than 200 square feet;

(ii) The area of a sidewalk cafe exceeds 25 percent of the combined total of the gross floor area of the associated eating and drinking establishment and the area of the sidewalk cafe; and

(iii) A sidewalk cafe is located in the Parking Impact Overlay Zone.

(2) Permit requirements

(A) Prior to installation of any furniture or improvements in the public right-of-way and prior to operation of a sidewalk cafe, the applicant shall obtain a Public Right-of-Way Permit or Building Permit in accordance with Sections 129.0203 and 129.0702, and an Encroachment Maintenance and Removal Agreement in accordance with Section 129.0715. Violations of a Public Right-of-Way Permit or Building Permit shall be subject to the permit revocation procedures set forth in Chapter 12, Article 1, Division 3.
The dimensions of a sidewalk cafe shall be delineated on a site plan and documented in the associated Public Right-of-Way Permit or Building Permit, as applicable.

Prior to occupancy of a sidewalk cafe, inspection shall be required in accordance with Section 129.0111, as applicable.

An annual inspection of a sidewalk cafe shall be required to ensure compliance with the limited use regulations for sidewalk cafes.

Operational requirements

A sidewalk cafe shall only be used only for dining, drinking, and circulation, and shall operate only in conjunction with an adjacent eating and drinking establishment.

A sidewalk cafe may provide either waiter/waitress service or self-service.

The sidewalk within, and adjacent to, the sidewalk cafe shall be clean and free of litter at all times.

Trash or storage areas shall not be located on or adjacent to the public right-of-way.

Musical instruments or sound reproduction devices shall not be operated or used within a sidewalk cafe. For purposes of enforcement of Chapter 5, Article 9.5, the
property line shall be considered the boundary of a sidewalk cafe.

(F) The hours of operation of a sidewalk cafe shall be limited to the hours that the kitchen facilities of the associated eating and drinking establishment are open for meal ordering. Alcohol, food, or beverages shall not be served or permitted within the sidewalk cafe after 10:00 p.m. Sunday through Thursday, and after 11:00 p.m. Friday through Saturday.

(G) Smoking shall not be permitted within a sidewalk cafe at any time.

(H) A sidewalk cafe shall comply with all State of California Department of Alcoholic Beverage Control license requirements, as applicable.

(I) Outdoor cooking and preparation of food within the public right-of-way is prohibited.

(J) Portable heaters, if provided, shall be located a minimum of 4 feet away from the exterior face of the building and from any combustible materials, including architectural projections, or in accordance with manufacturer recommendations, whichever is most restrictive.

(K) A copy of the approved Public Right-of-Way Permit or Building Permit, as applicable, for a sidewalk cafe shall be
posted on the premises of the associated eating and drinking establishment.

(b) A Process Two Neighborhood Use Permit may be requested in accordance with Section 126.0203 to deviate from the requirements in Section 141.0621(a) as follows:

(1) The applicant shall identify any requirement in Section 141.0621(a) where a deviation is being requested and shall specify why the deviation is needed.

(2) The decision maker will evaluate the request in accordance with the adopted land use plan and Land Development Manual to determine if a sidewalk cafe with the proposed deviation is a suitable use for the proposed site and will not infringe on use of the public right-of-way by pedestrians. In making the determination, the decision maker shall consider the following:

(A) The width of the sidewalk;

(B) The design and relationship of the sidewalk cafe to other existing or planned uses in the vicinity;

(C) The amount of pedestrian use and the impact of the sidewalk cafe’s location on pedestrian activity; and

(D) The sidewalk cafe’s ability to fit the character of the area, create an outdoor pedestrian plaza, intensify pedestrian activity, and make the street activity more attractive.
§141.0625 Veterinary Clinics and Animal Hospitals

Veterinary clinics and animal hospitals are permitted as a limited use in the zones indicated with an “L” and may be permitted with a Neighborhood Use Permit decided in accordance with Process Two in the zones indicated with an “N” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to the following regulations.

(a) [No change in text.]

(b) Limited Use Regulations

(1) through (3) [No change in text.]

(4) Deviations from Section 146.0625(a) may be permitted with a Neighborhood Use Permit decided in accordance with Process Two.

(c) [No change in text.]

§141.0702 Sex Offender Treatment and Counseling Facilities

This section regulates medical treatment or counseling facilities that physically or psychologically treat five or more sex offenders in one year.

Sex offender treatment and counseling facilities are permitted as a limited use in the zones indicated with an “L” in the Use Regulations Tables in Chapter 13, Article 1 (Base Zones) subject to the following regulations.

(a) Exemptions

(1) Incidental treatment and counseling services offered by the following organizations operating under a Conditional Use Permit are exempt from this section:
(A) Churches and places of religious assembly as described in Section 141.0404;

(B)(A) Residential care facilities as described in Section 141.0312;

(C)(B) Transitional housing facilities as described in Section 141.0313;

(D)(C) Hospitals, intermediate care facilities, and nursing facilities as described in Section 141.0413;

(E)(D) Social service institutions as described in Section 141.0417;

and

(F)(E) Correctional placement centers as described in Section 141.0406.

§142.0412 Brush Management

Brush management is required in all base zones on publicly or privately owned premises that are within 100 feet of a structure and contain native or naturalized vegetation.

(a) through (h) [No change in text.]

(i) In consideration of the topography, existing and potential fuel load, and other characteristics of the site related to fire protection, the Fire Chief may modify the requirements of Section 142.0412, and where applicable with the approval of the Building Official, may require building features
for fire protection in addition to those required in accordance with Chapter 14, Article 5, Division 7 and Chapter 14, Article 9, Division 3 if the following conditions exist. An applicant may request approval of alternative compliance for brush management in accordance with Process One if all of the following conditions exist:

1. In the written opinion of the Fire Chief, based upon a fire fuel load model report conducted by a certified fire behavior analyst, the requirements of Section 142.0412 fail to achieve the level of fire protection intended by the application of Zones One and Two; and the proposed alternative compliance provides sufficient defensible space between all structures on the premises and contiguous areas of native or naturalized vegetation as demonstrated to the satisfaction of the Fire Chief based on documentation that addresses the topography of the site, existing and potential fuel load, and other characteristics related to fire protection and the context of the proposed development.

2. The modification to the requirements achieves an equivalent level of fire protection as provided by Section 142.0412, other regulations of the Land Development Code, and the minimum standards contained in the Land Development Manual; and the proposed alternative compliance minimizes impacts to undisturbed native or naturalized vegetation where possible while still meeting
the purpose and intent of Section 142.0412 to reduce fire hazards around structures and provide an effective fire break.

(3) The modification to the requirements proposed alternative compliance is not detrimental to the public health, safety, and welfare of persons residing or working in the area.

(j) If the Fire Chief approves a modified plan alternative compliance in accordance with this section as part of the City’s approval of a development permit, the modifications shall be recorded with the approved permit conditions if approved as part of a development permit, or noted in the permit file if approved as part of a construction permit.

§142.0413 Water Conservation

(a) through (f) [No change in text.]

(g) Reclaimed water. New development Development in areas where reclaimed water is available and suitable for irrigation shall provide for a dual water distribution system for all landscaped areas. Only reclaimed water shall be used for irrigation purposes where it is available.

§142.0530 Nonresidential Uses – Parking Ratios

(a) Retail Sales, Commercial Services, and Mixed-Use Development.

Table 142-05E establishes the ratio of required parking spaces to building floor area in the commercial zones, industrial zones, and planned districts shown, for retail sales uses and for those commercial service uses that are not covered by Table 142-05F or 142-05G. Table 142-05E also establishes
the required parking ratios for mixed-use developments in a single
structure that include an allowed use from at least two of the following
use categories: (1) retail sales, (2) commercial services, and (3) offices.

Footnotes For Table 142-05F

1 Eating and Drinking Establishments. The minimum parking ratios apply to eating and drinking establishments that do not have a common parking area with any other uses. There is no minimum parking requirement or maximum permitted parking for outdoor dining. Within the Coastal Overlay Zone, outdoor dining areas such as decks, patios, terraces, etc., are considered part of the eating and drinking establishment’s gross floor area and are included in calculating parking requirements.

2 Parking spaces for carpool vehicles and zero emissions vehicles are required in accordance with Section 142.0530(d). Bicycle parking is required in accordance with Section 142.0530(e).

3 Transit Area. The transit area minimum parking ratios apply in the Transit Area Overlay Zone (Chapter 13, Article 2, Division 10) and in the Urban Village Overlay Zone (Chapter 13, Article 2, Division 11).

4 Bicycle Parking. See Section 142.0530(c).

5 Eating and Drinking Establishments. The minimum parking ratios apply to eating and drinking establishments that do not have a common parking area with any other uses. There is no minimum parking requirement or maximum permitted parking for outdoor dining. Within the Coastal Overlay Zone, outdoor dining areas such as decks, patios, terraces, etc., are considered part of the establishment’s gross floor area and included in calculating parking requirements.

Footnotes For Table 142-05G

1. Parking spaces for carpool vehicles and zero emissions vehicles are required in accordance with Section 142.0530(d). Bicycle parking is required in accordance with Section 142.0530(e).

2. Transit Area. The transit area minimum parking ratios apply in the Transit Area Overlay Zone (Chapter 13, Article 2, Division 10) and in the Urban Village Overlay Zone (Chapter 13, Article 2, Division 11).

3. Carpool. See Section 142.0530(d).

4. Bicycle Parking. See Section 142.0530(e). In the beach impact area, one parking space per guest room or 5.0, whichever is greater.

5. Alley Access. For properties with alley access, one parking space per 10 linear feet of alley frontage may be provided instead of the parking ratio shown in Table 142-05G. Within the beach impact area of the Parking Impact Overlay Zone, application of this policy shall not result in a reduction of required on-site parking.

6. Accessory Retail Sales, Commercial Services, and Office Uses. On-site accessory retail sales, commercial services, and office uses that are not open to the public are subject to the same parking ratio as the primary use. Alley Access. For properties with alley access, one parking space per 10 linear feet of alley frontage may be provided instead of the parking ratio shown in Table 142-05G. Within the beach impact area of the Parking Impact Overlay Zone, application of this policy shall not result in a reduction of required on-site parking.

(d) Parking Spaces for Carpool Spaces Vehicles and Zero Emissions Vehicles

(1) Required carpool Designated parking spaces for carpool vehicles (vehicles containing two or more persons) and zero emissions vehicles (any vehicles certified to zero-emissions standards) shall be provided for non-residential development at the ratio
indicated in Section 142.0530(d)(1)(B), unless exempt under Section 142.0530(d)(1)(C).

(A) The required designated parking spaces for carpool vehicles and zero emissions vehicles are to be provided within the overall minimum parking requirement, not in addition to it.

(B) The required number of designated parking spaces for carpool vehicles and zero emissions vehicles shall be calculated based on the total number of automobile parking spaces required for the premises as follows:

(i) Zero designated parking spaces for carpool vehicles and zero emissions vehicles if there are 0-9 automobile parking spaces on the premises.

(ii) One designated parking space for carpool vehicles and zero emissions vehicles if there are 10-25 automobile parking spaces on the premises.

(iii) Three designated parking spaces for carpool vehicles and zero emissions vehicles if there are 26-50 automobile parking spaces on the premises.

(iv) Six designated parking spaces for carpool vehicles and zero emissions vehicles if there are 51-75 automobile parking spaces on the premises.
(v) Eight designated parking spaces for carpool vehicles and zero emissions vehicles if there are 76-100 automobile parking spaces on the premises.

(vi) Eleven designated parking spaces for carpool vehicles and zero emissions vehicles if there are 101-150 automobile parking spaces on the premises.

(vii) Sixteen designated parking spaces for carpool vehicles and zero emissions vehicles if there are 151-200 automobile parking spaces on the premises.

(viii) Designated parking spaces for carpool vehicles and zero emissions vehicles equal to at least 8% of the total automobile parking spaces on the premises if there are 201 or more automobile parking spaces on the premises.

§153.0101  Purpose and Intent

The public health, safety, and welfare necessitate distinctive development controls and requirements for capital improvements and public facilities in order to systematically implement the phased growth of Carmel Valley. The regulations contained herein are in keeping with the objectives and proposals of the Progress Guide and General Plan for the City of San Diego, of the Carmel Valley Planned District, and of precise plans adopted in accordance with the community plan. All development plans and subdivisions shall conform to the adopted precise plan.

The regulations contained herein shall apply to any development, building or construction; but shall not apply to subdivision or parcel maps which provide
solely for financing and, in themselves, authorize no development, construction or building.

§158.0101  Purpose and Intent

The purpose of the Golden Hill Planned District is to ensure that the development and redevelopment of multi-family and commercial neighborhoods in Golden Hill will be accomplished in a manner that will preserve and enhance the community's diverse architectural, historical and cultural characteristics, as well as the overall quality of life in the community. It is also intended to preserve and complement the historically and architecturally significant structures located throughout the district. In addition, the purpose of the Golden Hill Planned District is to implement the goals and objectives of the adopted Golden Hill Community Plan (1988) and the Progress Guide and General Plan of the City of San Diego.

§159.0101  Purpose and Intent

(a) It is the purpose of the La Jolla Planned District to require that development and redevelopment of land in the central core area, outlying neighborhood commercial centers, and the cultural and multi-family areas west and north of the village commercial core of La Jolla will be accomplished in a manner that retains and enhances the economic, historical, architectural, educational, civic, social, cultural, and aesthetic values, and the overall quality of life within the community. The intent is to implement the goals and objectives of the adopted La Jolla Community Plan (1976), the La Jolla - La Jolla Shores Local Coastal Program
Addendum (1983), and the Progress Guide and General Plan of the City of San Diego.

(b) through (c) [No change in text.]

§1510.0101 Purpose and Intent

(a) [No change in text.]

(b) The development of land in La Jolla Shores should be controlled so as to protect and enhance the area's unique ocean-oriented setting, architectural character and natural terrain and enable the area to maintain its distinctive identity as part of one of the outstanding residential areas of the Pacific Coast. The proper development of La Jolla Shores is in keeping with the objectives and proposals of the Progress Guide and General Plan for the City of San Diego, of the La Jolla Community Plan, and of the La Jolla Shores Precise Plan.

§1510.0303 Single-Family Zone - Permitted Uses

In the Single-Family (SF) Zone, designated on that certain map referenced in Section 1510.0102, no building or improvement or portion thereof shall be erected, constructed, converted, established, altered, or enlarged, nor shall any premises be used except for one or more of the following uses:

(a) through (d) [No change in text.]

(e) Churches, temples or buildings of a permanent nature, used primarily for religious purposes as a conditional use subject to a Process Three Conditional Use Permit in accordance with Land Development Code Section 141.0404 (Separately Regulated Use Regulations).
§1512.0101 Purpose and Intent

The purpose of the Mid-City Communities Planned District is to assist in implementing the goals and objectives of the adopted community plans for older, developed communities generally located east of Interstate 5 and south of Interstate 8 and to assist in implementation of the Progress Guide and General Plan of The City of San Diego. These adopted community plans include the Greater North Park Community Plan and the Uptown Community Plan. Additionally, the purpose of the Mid-City Communities Planned District is to accommodate commercial establishments that provide a full range of consumer goods and services and which are of a scale and design that is compatible with surrounding and planned development.

The intent of the alternating scheme of commercial zones is to provide for distinctive nodes of high intensity, pedestrian-oriented development (CN "Commercial Node" zones), interspersed with linear areas of multiple (commercial and residential) uses with either an automobile orientation (CL "Commercial Linear" zones) or pedestrian-orientation (CV "Commercial Village" zones). In addition, businesses and professional offices and allied services are provided for in areas adjacent to commercial or institutional areas (NP "Neighborhood Professional Commercial Office" zones). In order to facilitate the economic development of commercial establishments, a provision is made for commercial expansion off of main corridors (CN-T, CL-T, CV-T and NP-T zones).
It is also the purpose of the Mid-City Communities Planned District to encourage the development of quality multiple residential structures within the Greater North Park and Uptown communities, which relate in scale and design to the surrounding neighborhood, and provide an attractive street environment (MR zones). For the facility-deficient neighborhoods shown on Map Number B-4104, it is also the purpose of this Division to limit residential development until adequate public facilities are available.

§1515.0101 Purpose and Intent

The purpose of the Mount Hope Planned District Ordinance is to aid in the principles of neighborhood revitalization by: 1) Allowing for the integration of residences, commerce, industry and recreation, 2) Preserving and upgrading residential neighborhoods, and 3) Encouraging the development of new retail and commercial uses. The intent of the Mount Hope Planned District Ordinance is to implement the Mount Hope Redevelopment Project. The proper development and redevelopment of Mount Hope is in keeping with the objectives and proposals of the Progress Guide and General Plan for the City of San Diego and of the Southeast San Diego Community Plan.

§1516.0101 Purpose and Intent

(a) through (b) [No change in text.]

(c) The Old Town San Diego Planned District Ordinance is in keeping with the objectives and proposals of the Old Town San Diego Community Plan and the City of San Diego Progress Guide and General Plan.
§1519.0302 Single-Family (SF) Residential Zoning Regulations SF-40,000, SF-20,000, SF-15,000, SF-10,000, SF-8,000, SF-6,000, SF-5,000

(a) Purpose and Intent

The single-family (SF) zones are designed to provide for areas of one-family residential development at varying levels of low density, consistent with the Progress Guide and General Plan or adopted community plans within the Southeastern San Diego Planned District. Further, the provisions of these standards are intended to promote and protect those special amenities associated with a district of single-family homes.

(b) through (g) [No change in text.]

§1519.0303 Multiple-Family Residential Zone Regulations - MF-3000, MF-2500, MF-2000, MF-1750, MF-1500

(a) Purpose and Intent

The multiple-family (MF) zones are primarily intended to provide for multiple-family residential development at varying densities ranging up to 45 dwelling units per net residential acre. The multiple-family zones are applied consistent with the Progress Guide and General Plan and adopted Southeastern San Diego Community Plan.
