§54.0122 Prohibitions and Regulations Applicable to the Sale or Distribution of Foods, Beverages, Merchandise or Services from Vehicles and Mobile Food Units

- (a) Purpose and Intent. The City Council hereby finds and declares that the unrestricted sale or distribution or the offering for sale or distribution of food, beverages, merchandise or services from vehicles, or mobile food units within or upon public streets, sidewalks and rights of way, public

property or in the vicinity of school buildings, under certain circumstances, constitutes a danger to public safety because of the likelihood of injury to pedestrians thereby exposed to hazards from other vehicular traffic in the vicinity.

~~The City Council further finds that it is in the interest of the health, safety and welfare of the community that sales of products from mobile food units be limited to food items subject to regulation under the California Retail Food Code.~~ The City Council further finds that the unauthorized use of public property for private commercial activity constitutes a misuse of public property and tax money and that similar activity on private property when not in conformity with health, safety, zoning and land use regulation is contrary to the public welfare.

(b) **Definitions**

(1) through (2) [No change in text.]

~~(3) The term "mobile food unit" is any non-self-propelled or nonmotorized vehicle or similar vending device defined in Section 42.0160 of this Code.~~

~~(4) "Public school" shall refer to any public elementary school, middle school, junior high school or high school as defined in the Education Code of California.~~

(c) Prohibitions. No food, beverage, merchandise or services shall be sold or distributed or offered for sale or distribution from a vehicle on a street or highway unless the vehicle is first lawfully parked or stopped and then

remains for no longer a period of time than is necessary to complete the immediate sale. An operator is considered to be engaged in an "immediate sale" when there are patrons waiting in line for service.

Operators of such vehicles shall maintain a minimum clear space of (10) feet both in front of and behind the vehicle to allow for pedestrian safety and safe sight distance for approaching motorists. No sales or distribution shall be made when the designated minimum clear space of ten (10) feet does not exist.

- (d) ~~No food or beverage shall be sold or distributed or offered for sale or distribution from a mobile food unit on a street or highway, on public property or upon a sidewalk without a permit from the City Manager or designee authorizing such sale or distribution pursuant to Section 42.0166 of this Code.~~
- (e)(d) No food, beverage, merchandise or services shall be sold or distributed or offered for sale or distribution, whether from a vehicle or otherwise, upon public property without the authorization of the public entity.
- (f) (c) No food, beverage, merchandise or services shall be sold or distributed or offered for sale or distribution from a vehicle ~~or mobile food unit~~ on private property without the express consent of the owner or lessee of the property and except in conformity with health, safety, zoning and land use regulations or permits pertaining to the site from which the sale or distribution is conducted.

- ~~(g)~~ (f) No food, beverage, merchandise or services shall be sold or distributed or offered for sale or distribution from a vehicle in the public right-of-way within ~~five hundred (500)~~ feet from any public kindergarten-twelfth grade school building, measured in a straight line to the nearest point of the school building, between 7:00 a.m. and 4:00 p.m. on regular school days, except in a designated commercial loading zone in conformity with applicable restrictions thereto or except on private property with the express consent of the owner or lessee of the property and in conformity with health, safety, zoning and land use regulations and permits pertaining to the site from which the sale or distribution is conducted.
- ~~(h)~~ Mobile food unit operations are limited to the sale of food items regulated under the California Retail Food Code. The sale or distribution of any other items is prohibited.
- ~~(i)~~ (g) In addition to enforcing applicable federal, state and local laws, the City intends to strictly enforce any violations of the California Penal Code regarding the sale, distribution, or display of BB devices and Imitation Firearms. Violations of mobile food unit sections may be pursued as both a regulatory and a criminal violation.
- ~~(j)~~ (h) Construction with other laws. Nothing in this section shall be deemed to excuse compliance with any law or regulation pertaining to health, zoning, public safety or land use under applicable state law or the municipal code, including the issuance of any permits thereunder.

§123.0601 Purpose of Mobile Food Truck Permit Procedures
