AN ORDINANCE OF THE COUNCIL OF THE CITY OF SAN DIEGO AMENDING THE LAND DEVELOPMENT CODE BY ADDING CHAPTER 12, ARTICLE 3, DIVISION 5, BY ADDING SECTIONS 123.0501, 123.0502, 123.0503, 123.0504, 123.0505 AND 123.0506; BY AMENDING CHAPTER 13, ARTICLE 1, DIVISION 4, BY AMENDING SECTION 131.0422 TABLE 131-04B BY ADDING FOOTNOTE 11; AND BY AMENDING CHAPTER 14, ARTICLE 2, DIVISION 5, BY AMENDING SECTION 142.0520 TABLE 142-05B, ALL PERTAINING TO RESIDENTIAL HIGH OCCUPANCY PERMITS.

WHEREAS, single dwelling units occupied by multiple adult tenants, also commonly referred to as “mini dorms”, have been identified as a threat to local communities due to a variety of negative impacts including, but not limited to, loud parties, noise, trash, parking impacts, and inconsistent physical development impacts; and

WHEREAS, a variety of public outreach tools including media coverage, email blasts, mailed public notices, published public notices, a dedicated web page, and public announcements have been used to encourage community participation in the development of strategies to address “mini dorms” and to widely distribute information related to proposed strategies; and

WHEREAS, a variety of public meetings and hearings have been held to allow for community input and participation in the development of strategies to address “mini dorms” including two public discussion forums (September 2006 and May 2007), individual community

planning group meetings, three Land Use and Housing Committee meetings (November 2006, March 2007, October 2007), two Code Monitoring Team meetings (April and August 2007), two City Council hearings (July 2007), one Planning Commission meeting (September 2007), and one Community Planners Committee meetings (September 2007), which resulted in participation by hundreds of local residents and community leaders; and

WHEREAS, the City Council adopted the Administrative Enforcement Remedies Ordinance (O-19579) in February 2007, to update the City’s penalty fine amounts, grant authority for broader use of administrative citations, and clarify language to allow for greater cost recovery in enforcement cases; and

WHEREAS, on March 7, 2007, the City Council Committee on Land Use and Housing supported a pilot program for issuance of $1000 administrative citations by the Mid City Division of the San Diego Police Department for noise violations related to loud parties and loud music violations of San Diego Municipal Code Sections 59.5.0501 and 59.5.0502, which has proven to be a critical component of the City’s strategy for a more aggressive code compliance program by helping to reduce the number of noise violations, and therefore is planned for expansion to address noise violations citywide; and

WHEREAS, on July 9, 2007, the City Council introduced an ordinance regulating physical development of single dwelling units and requested that staff draft an ordinance to regulate high occupancy single dwelling units as part of a multi faceted strategy to address mini dorms including a more aggressive enforcement program, greater cost recovery, code amendments to address inconsistent physical development, and other ordinance options such as a rooming house ordinance and/or residential high occupancy permit; and
WHEREAS, on July 24, 2007, the City Council adopted ordinance (O-19650) regulating the physical development of single dwelling units to prevent inconsistent physical development commonly associated with mini dorms such as a large number of bedrooms per dwelling unit, excessive hardscape, inadequate parking, and development out of scale with the existing lot size and the surrounding neighborhood; and

WHEREAS, the parking requirement for a single dwelling unit is two parking spaces citywide, except for single dwelling units with five or more bedrooms located in the campus impact area of the parking impact overlay zone where the requirement is one parking space per bedroom, which does not account for the associated occupancy or number of vehicles per dwelling unit; and

WHEREAS, the purpose of the Residential High Occupancy Permit ordinance is to ensure that high occupancy single dwelling units with six or more adult occupants (age 18 and older) residing for a period of 30 or more consecutive days provide adequate parking, including one parking space per adult occupant less one parking space; and

WHEREAS, the intent of this ordinance is to preserve community character in single dwelling units zones consistent with the RS (Residential-Single Unit) zones which are intended to “accommodate a variety of lot sizes and residential dwelling types” and “promote neighborhood quality, character, and livability”; and

WHEREAS, the proposed ordinance would regulate similarly situated properties the same, provide equal protection for rental and owner occupied single dwelling units, and accommodate housing needs of non-family groups in single dwelling units in accordance with state and federal law;
WHEREAS, the proposed ordinance has been reviewed and considered by various interest groups and organizations as well as by the Code Monitoring Team, Community Planners Committee, and Planning Commission; and

WHEREAS, on September 6, 2007, the Planning Commission recommended approval of the Residential High Occupancy Permit ordinance to the City Council; and

WHEREAS, on November 19, 2007, the City Council conducted a first reading of the proposed ordinance and a majority adopted a motion directing that the ordinance be revised prior to the second reading to incorporate a permit fee waiver for economic hardship in order to accommodate groups that live in high occupancy units out of economic need; and

WHEREAS, adoption of the Residential High Occupancy Permit Ordinance as so revised, would establish an annual permit, with an annual fee and inspections, that would allow for revocation of the permit in case of administrative enforcement actions, and that would allow for a fee waiver for economic hardship based on the Area Median Income; NOW, THEREFORE,

BE IT ORDAINED, by the Council of the City of San Diego, as follows:

Section 1. That Chapter 12, Article 3, Division 5, is added by adding Sections 123.0501, 123.0502, 123.0503, 123.0504, 123.0505, and 123.0506 to read as follows:
