I. Meetings

A. Conduct of Meetings

Except as otherwise specifically noted herein, Robert’s Rules of Order shall apply to the conduct of Technical Advisory Committee meetings.

B. Date and Time

Meetings of the Technical Advisory Committee generally occur on the second Wednesday of each month, except as adjusted for holidays or other reasons. It is expected that meetings will generally begin at 12:00 PM and end by 2 PM.

C. Committee Purpose and Management of Agendas

The Technical Advisory Committee's purpose is to advise the Land Use and Housing Committee on improvements to the development review process, using communication, technology and best business practices to reduce processing times and better serve the customers and citizens of San Diego. This role includes numerous diverse responsibilities. Committee members are appointed to serve in a completely voluntary capacity. In order to ensure continued quality of life for individual Committee members and to strive for reasonable agendas, the Committee staff shall manage each month’s agenda so that the number of items scheduled can be reasonably expected to be heard by the Committee within the time allotted for meetings. On occasion, the necessary business of the Committee may lend itself to additional or prolonged meetings, but these instances shall be kept to a minimum and shall follow the procedures below.

D. Special or Extended Meetings

The Committee may set additional special meetings, cancel meetings or extend the length of current or future regular meetings, as needed, based on the affirmative vote of a majority of the Committee members present at the meeting where the motion is made. The length of an upcoming Committee meeting may also be extended by staff, with the agreement of the Committee Chair, prior to the preparation of the meeting’s agenda and with appropriate notification to Committee members.

E. Membership
Members appointed to the Committee shall be representatives from organizations and from constituencies that are regular customers of the Development Services Department.

E. Committee Member Attendance

Technical Advisory Committee members are expected to attend all regular and special Committee meetings, and meetings of subcommittees to which a Committee member is appointed. Committee members are encouraged to notify staff of expected absences prior to meetings if possible to be considered an excused absence. Any Committee member who finds his or herself unable to attend meetings on a regular basis should re-consider his or her ability to serve on the Committee.

If a member has two consecutive unexcused absences, three unexcused absences in one year, or four total absences in one year, the member and/or his or her organization will be notified that they are subject to removal from the committee, and that a new representative should be selected.

F. Recusals and Abstentions

Any Technical Advisory Committee member may abstain from voting on an action of the Committee after stating the reason for the abstention in discussion before the vote occurs. Recusals for reasons of conflicts of interest should be stated during the appropriate time on the agenda, but in no case after a motion on a Committee action has been made and seconded.

G. Quorum

A minimum of seven members of the Committee shall be required to convene a regular or special meeting. All actions of the Committee shall be approved by vote of a simple majority of the members present.

H. Presentation Time Limits

Presentations by members of the public to the Technical Advisory Committee shall be limited to three minutes for individual speakers, and eight minutes per side for organized presentations. These times may be adjusted by the Committee Chair based on the length of the agenda, complexity of the item and/or the number of submitted speaker slips.

B. Standing Subcommittees

Ad hoc subcommittees may be a stand alone subcommittees of the Committee, combined subcommittees including representation from other agencies, or subcommittees of other agencies with Committee representation by one or more Committee members. The minimum number of Committee members appointed to any standing subcommittee shall be three, and the maximum shall be six. Appointees may be from the general public if they bring special expertise. Appointments to the standing subcommittees, including chair appointments, shall be made once a year, or as vacancies occur, and ratified by a majority vote of the Committee at the next available meeting.
